FORTY-SIX SENIORS TO BE GRADUATED ON MAY 5

Summit county's largest graduating class of all time will be granted diplomas on May 5 when forty-six seniors of Springfield high hold their commencement exercises.

Rev. Wayne McQueen of the North Hill M. E. church, Akron is the class selection for speaker.

Valedictorian of the class is Evelyn Tovey, and Salutatorian is Marian Markle. Both will give orations at commencement.

Music will be furnished by the glee club under Miss Mellinger's direction, and by the school orchestra.

BACCALAUREATE

The Oak Hill Presbyterian church, Rev. Eddy, pastor, has been chosen for the baccalaureate services for Sunday evening, April 30.

Plenty of room and parking space are available here for the friends and families of the members of the class.

Caps and gowns will be worn at both baccalaureate and commencement exercises.

STOW HIGH BOY WINS COUNTY ORATORICAL CONTEST

Williams Pollock of Stow high was adjudged the winner of the Summit county oratorical final contest at Stow last Wednesday evening.

His oration was on the topic, "Let the Buyer Beware". It was well delivered.

Springfield's contestant, Virginia Myers, received third place award, and Bath's representative, Louise Fain placed second.

Virginia was this school's representative for all four years she has been in high school. In this time she won a second and a first place in sectional contests besides the third in this year's finals.

PUBLICATION OF ANNUAL NOT YET FOUND POSSIBLE

The lull in subscriptions from the student body has seriously jeopardized the chances for publishing the RED & GRAY of 1933.

To date 141 subscribers have paid in their fifty cents,--not enough by 100 to make the annual possible.

Many nice contributions from advertisers have been paid in, only to be refunded unless more support by the school is given.

ONE THIRD OF STUDENT BODY TAKE DAY OFF TO SEE MACON

Seventy-three boys and girls or one-third of the enrollment at Springfield high took the day off Thursday in hopes of seeing the airship "Macon" take its maiden flight.

Mud and uncertain weather conditions caused its postponement, disappointing thousands of people gathered there to witness it.

The hangar is in sight of the school so a fine view can be had when it does finally take off.

WILL THIS BE TRUE?

--Verlene Dye

"Grandpa McIntyre", says little Jerry the Third, "tell me about when you were a boy in school; tell me all about the good grades you made, the football and basketball games you played in, and about how good you and grandma used to be".

"A-hem--well, I don't believe I'll go over all that again, but I'll do something better. Margy, bring me that old 1933 Red and Gray and let's sit and look it over", replies grandpa.

"All right, Pop. Here it is", says a little white-haired lady. "I'm sure glad we've kept this annual all these years. I only wish that grandpa and grandma Lennox had got one then; they're always borrowing ours, just like Jack always did in school days. And just think, they only cost us fifty cents that year!"

BUS TRANSPORTATION COSTS

A recent study of school bus transportation costs in Summit county made by the county superintendent's office reveals some interesting facts. For example, Springfield and Norton townships have the lowest daily cost per pupil,-- .028 cents and .029 cents respectively.

The highest cost in the county is at Boston township with .225 cents. This is partly due to a few comparatively long trips to gather up but a few pupils.

Springfield is transporting 555 pupils with only three busses which make 28 trips daily. Norton, with two busses plus an additional short haul bus, hauls 340 pupils in 18 trips. Hudson uses 9 busses for 290 pupils.

Mrs. Henry M. Sermersheim, Mgr.

HIGH SCHOOLS PREFER SOFT BALL LEAGUE

A questionnaire was recently submitted to the high schools of the county asking for an expression of preference for spring athletics.

Eight of the sixteen schools asked for soft ball; three others asked for both soft ball and track; two preferred hard ball and track or football; and one preferred spring football.

Consequently, the committee has left it to each school to arrange its own program because of the term being shortened in many cases.

Boys' class teams have been organized in Springfield, from which will be selected a varsity team.

Games are being scheduled with Mogadore, Coventry, and possibly others.

Mr. Myers is in charge of this activity.

JUNIOR PLAY IS HUGE SUCCESS

The junior class play, "Oh, Aunt Jerusha!" presented last Friday night was highly pleasing to the full house that turned out for it.

Honors for acting go to Ralph Widder and Margaret Hough, although they were well supported by every member of the cast.

The proceeds amounted to approximately $42.00 which will be used for the junior-senior prom.

Miss Ethel Mellinger, commercial teacher, was the director.

The school orchestra, under the leadership of Margaret Shawl, furnished the music.

Motor Inn at Stow has been tentatively selected as the place to hold the junior-senior banquet and prom.

APRIL FOOL DANCE ENJOYED

The April Fool dance held by the junior class in the high school gymnasium was well attended and greatly enjoyed by all.

The gym was nicely decorated in blue and gold.

The net proceeds were also applied toward the prom. Five dollars was cleared after all expenses were paid.

HAROMANO HOLDS LAST MEETING

The Haromano Club held its last meeting of the year at the home of Eva Blixt last Tuesday evening. Plans were made for the annual theatre party.

Games were played and lunch was served by the hostess, assisted by Robert Burley and Edward Hazle, two honorary members.

EIGHTH GRADE PLAY IS WELL ATTENDED

Mr. Clark reports more than $28 received from admissions to the eighth grade play, "Zippy", presented last night, Thursday.

Some fine acting was done by Ruth Slevin, as Zippy, the hard-boiled pal of gangsters; and by Kenneth Swartz, as Jimmy, the handy man. All the parts were well handled.

DIRT OF THE BETTER TYPE

Donsel M. wants to warn all the girls that 1936 is leap year and he is just bidding his time. (Oh, yeah?)

The maiden "flight" of the Macon is lifting the depression of detention hall.

Bob A. and Ralph Widder can take a new lease on life now. They went in swimming in the lake the other day, probably the first bath in months.

Wonder of all wonders Jack L. and Jack K. did a full day's work for a change.--Cleaning Rosa Bud's wall apaer in her restaurant. Oh, they eat a while longer--and maybe Luckies for a change instead of Ripple

---

Joe Miller and Leona Whims also use side roads to trade lipstick.

Many people wonder what girl's Spearmint was being introduced to Jack Arnold's Juicy Fruit the other day at noon.

We wonder how much Miss Mitchell is getting paid to substitute for a certain absent senior girl in English class. She was supposed to have been at the airport selecting a sailor boy.

Haromano wants to know if Mr. Lynch hasn't a nephew who could be invited to the Hi-Y - Haromano weiner roast.

Mr. Hadfield--------?????!
.....?.?,...Censored--Too Personal.

Mr. S. got tired of manicuring his own nails. Now Mitz Campbell does it for him.

Marjorie M. And Harriet C. are in a neckin' neck race for Bob A.. Harriet is ahead, because of her nose.

Lestel G. claims her neck is on a furlough, but by the looks of her bandaged eye, furlough, whoever he is, must be a rough guy.

Who says Ed. D. isn't a man? He's been seen pushing Lucille W. and Doroth G. around at different intervals! What a man?????????

If Bob B. falls for Lestel G. again, we think that instead of having his arm examined, he should have his head examined.

What Hi-Y boy suggested that Mr. Lynch's niece, Miss Nicely, be invited to the Hi-Y party that is being given in honor of Haromano? (Nice work Dornan.)

Jerry M. is now wearing out his shoes on Routh 17. (How ya, Mary Ellen?)
