COUNTY SCHOOLS PLAN MUSIC FESTIVAL

GREENSBURG HIGH COMES FOR NEXT HOME GAME

Coach Harry Workman and his football warriors are preparing themselves for a hard game when the scrappy outfit from Greensburg comes to the local field next Thursday in the annual gridfest between the two schools.

In last year's contest Springfield was held to no score until the last few minutes of the game when a touchdown was put over.

In other years Greensburg had had some kind of a jinx over the local boys. The coach and his charges are determined that nothing like a mere jinx can keep them from a victory this year.

The game will be played on Thursday because of dismissal of schools on Friday for the NEOTA meeting in Cleveland.

TEACHERS TO ATTEND CONVENTION

The pupils get a break next Friday. The board has decided to dismiss school on that day to permit all teachers to attend the Northeastern Ohio Teachers Association convention at Cleveland.

This is the largest gathering of teachers held in the world--some 16,000 being in attendance each year. It is held in the massive Municipal auditorium.

In the afternoon the teachers attend departmental meetings in subjects they are most interested in,--unless they play hooky and go to a good show--or shopping.

JUNIORS SELECT CLASS PLAY

Under the guidance of Mr. Hadfield and Mrs. Reed the junior class has selected the play "The Antics of Andrew" for presentation on Friday, Dec. 8.

ALL-COUNTY ORCHESTRA TO ORGANIZE

The musical talent in the high schools of Summit County is to have an oppurtunity to display its ability this year if plans of the Principals Club music committee are carried out.

Under the direction of Sup't. Carl Coffeen the committee has worked out a plan to hold two music festivals,--one in the northern part of the county and one in the southern.

The best musicians in the sixteen county high schools are to organize an all-county orchestra which will appear in both programs.

In addition to this, each school is to present one special musical number either instrumental or vocal, giving its very best talent an opportunity to do something worth while.

It is planned to hold the first one in the northern section on Saturday night December 9, and in the southern division one week later, December 16.

The following names of candidates for the all-county orchestra have been sent in from Springfield:

Joe Kime-- Trombone
Mary Katherine Pryor--Clarinet
Edith Shoemaker--Sax
Walter Stiff--Violin
Pauline Jarrell--Bass Violin
Edwin Cochran--Drums
Paul Marsh--Trumpet
Eileen App--Trumpet

Probably not all of the eight will be accepted as the director will select the instruments that will make a balanced orchestra.

SPRINGFIELD TO MEET ELLET HIGH IN FOOTBALL

Athletic relations between the two neighboring schools, Springfield and Ellet will be resumed on November 18. A game of football that will be packed with all the thrills of a season will be played at Ellet on that date.

Ellet will no doubt be the champs of its league this year. They are much

WHERE'S THE OLD PEP**S.H.S?

What has happened to the old Springfield school pep? Can't we have a little more rooting from the boys as well as the girls? Can't the cheering be a little more uniform instead of so scattered?

Let's help our cheerleaders in their efforts for better cheering. Let's put all our individual noisy efforts into a great big group yell that will show the world that Springfield still has the old PEP and plenty of it!

"CORRIDOR CHATTER"

A little praise now and then is relished by the best of men. So let it be with the students of S.H.S. this year.

Let me take this opportunity to express to the student body my appreciation of the good conduct that prevails during the interchange of classes and at intermissions.

There is a noted improvement over last year. Let us see that it continues.

It is this fine attitude on the part of the students that makes detention periods unnecessary.

WHO SAID FRIDAY THE 13th?

Springfield came through in fine shape with a 31-13 victory over Hudson despite the jinx of Friday the 13th. This outcome was quite a different story from this date two years ago when we lost to Hudson by one point and Art Held suffered a broken collar bone.

Hudson opened the game with a strong passing attack that kept the S.H.S. grid men on the defensive. Our team soon solved that problem and from then on it was Springfield's game.

Although the entire team was playing superb ball, the work of McIntyre and Nolte stood out as most spectacular. Jerry's long runs thru the Hudson team accounted for two of the touchdowns, whil Nolte registered his three by line plunging. Juno also registered the only extra point of the season by a plunge.

Hudson scored their first touchdown in the first quarter after a brilliant pass. The second was scored late in the game after Coach Workman had sent in many of his second string men.

AGENTS BEWARE

All book agents, junk dealers, and traveling salesman, take heed and run if you should see this sign, "Just Married--Do Not Disturb", tacked on the door of a little gray bungalow in Lakeview allotment.

Of course by the time you see the warning, there may be nothing left but the tacks, so you had better beware of all bungalows in Lakeview. If you don't, you're liable to be detained all afternoon listening to the praises of a certain young man by his pretty bride of a week.

In case you don't know we are speaking of Mrs. Francis Memmer the former Virginia Myers of the class of '33.

Virginia and her devoted husband were married last Saturday afternoon. They spent a breif honeymoon at "Stony Brook" near Peninsula. They are now at home to their freinds in Lakeview Allotment, but do not wish to be disturbed unnecessarily.

Now and Then

Here is a list of things especially noticed by a visiting alumni. There are some things that are not changed and probably will never be changed but there are also many things which are changed but are probably not noticed if seen every day.

Things that remain unchanged--

1-The chairs in the library still make a noise when moved.

2-Miss. Mitchell's room is still cold.

3-There is still a group of girls around the register in the hall.

4-Hadfield's classes are still a big laugh.

5-There is still a rush on lockers and a rush for busses.

6-Grady Price and company still patrol the halls.

7-The freshies still come to see Miss. Mitchell about Latin.

(Cont'd above)

(Cont'd)

Changes--

1-The Chiselers club is not so prominent.
2-The halls are quieter but duller.
3-The study hall is cleaner.
4-There is an extra class picture in the hall.
5-Mrs. Slife has no home room of Seniors.
6-The Senior meeting was much quieter than last year's.
7-A new teacher, Mr. Workman, on hall duty.
8-Mrs. Slife was not present at Senior meeting.
9-The "bill-of-fare" in the cafeteria has been moved where it can be seen.
10-No eighth graders to call "little kids"
11-"Peg" Hough is much larger.
12-Mr. Myers has a moustache.
13-The Goss-Manley; Whims-Miller; Sewell-Lowe; Markle-McIntyre Co. are bankrupt.

TO THE KNOCKERS: Did you ever try boosting your school paper a little? Have you ever turned in any honest-to-goodness news to be used by the staff? If not, then please remember that you have no kick coming. This is your paper. It's just as good or as bad as you make it. Try helping a little,-- it might pay.

Viola P.: Were the freshies sent down from heaven, do you think?
Miss. M.: Yes, Viola, I'm sure of it.
Viola : I guess they must like to have it quiet up there, too.

Another student of SHS has decided to embark upon the sea of matrimony. Margaret Miller was recently married to Wilbur Myers. Margaret was a senior.

Remember Dan Wolfe? Sure, who doesn't? See Danny Wednesday? He dropped in to say "Howdy" and"Good-by". Dan is located at Pineville, W. Va. in Co. 1538 CCC, camp P-54. Likes it fine."Boy, it's good--help your folks, have a good time yourself!" Got your chicken, Dan?

Edward McKinney, freshman boy, is the hospital with a broken collar bone.

Dorothy Hoggarth, class of 1932 has been seriously ill with inflammatory rheumatism.

Robert Iden, class of 1932, is again attending Western Reserve university at Cleveland.

Helen Smart, same class, is a sophomore at Wilberforce college.

A caress may be better for a woman than a career, but not for a football player.

ANOTHER HI-Y Dance is in the making. The boys are planning more good times for everybody who attends their second entertainment. Saturday night, October 28 is the date. Come.

Rough "house" initiation of the Hi Y boys has been postponed. Coach's orders--or else!

Lestel G. had to go and get herself all scratched up and a couple of shiners to boot--just (we think) to get the coach to call on her--accompanied by Ed. Manley, of course. Just how does he say goodnight, Lestel?

What was the matter with the big football star? Concussion of the brain. Impossible!!!!

Hint: Buy candy for your teachers. Claude Pressler just got 100 in English.

Dramatic Club met the other day and selected Miss Kahler as faculty adviser for this year. Mrs. Reed will be too busy with the Junior play and the Spelling contestants to handle Dramatics this year.

Mr. Lynch will assist Miss Kahler in this work.

Where did you find the "smoke bush" girls?
