ALL OUT FOR PARADE

BIG PEP PARADE PLANNED BY VARSITY "S"

A mammoth Pep parade staged by the Varsity "S" and the Booster Club will cover Springfield Township and Ellet next Saturday just prior to the big Springfield-Ellet football game.

Ellet plays here at 2:30. The parade will form at the high school at 12:30, organize and get under way around 1:00. Stops will be made at Lakemore, Sawyerwood, Ellet and elsewhere. It is hoped other cars will join along the route.

All cars are to be decorated in red and gray, and filled with rooters.

Be out and join this. Bring your car or truck--and a safe driver. Support the team.

SCHOOLS PLAN PROGRAMS FOR AMERICAN EDUCATION WEEK

The week of Nov. 5-11 will be observed all over the country by programs in the schools and churches. Following its annual custom, the high school will hold Open Night for parents on Thursday, the 8th.

The grade schools will have their programs on Wednesday, except Roosevelt, which has chosen Friday night instead.

Parents are urged to visit schools during that week. Fine programs and displays will be put on at each of the buildings.

REFRESHING REFLECTIONS

Friends and fellow students, let me introduce to you the new servant of the people, "Refreshing Reflections".

The one and only aim of this column will be to provide the readers of the Sprag with loads of clean fun, with helpful suggestions sprinkled in.

As I am a beginner in the arts of a columnist, I beg of you, read this column for the pleasure derived and not through the eyes of a critic. Any suggestions for the improvement of the column will be received with appreciation.

Now to commence:

One of Springfield's better known Senior boys, came up to me with a clever little story. If you have heard it from any other source, there must be "something rotten in Denmark", for it was told for original. Well, here it is:

Senior was deep in a book one evening when his older brother hailed him in this fashion. "Hey, "poke", what are you reading?" Senior answered him civily and proceeded with his reading, unaware of anything amiss. After being referred to in this manner several times, Senior's mother remarked, "Why do you call him "poke"? You know his name don't you"? Older brother followed quickly with this remark: "Certainly, but until the little fool stops poking his nose into my business, that will be his handle". Senior did not state the outcome.

I do not want to be considered a "poke", but if you have a good story let me know, and it will be printed without names.

Here is a little story which may or may not have happened to Mr. Kick.

Ricket Seller: Can I give you a seat in the third row?
Mr. Kick: No, I much prefer the first row.
Ticket Seller: Okay, here is an extra trumpet, tell the stage manager to give you a seat in the orchestra.

Here is a story to work on someone if he starts to "crab" to you about how "dumb" his boss is. Just pull out a superior look and remark shortly, "Perhaps ! but if he were much brighter someone might be looking for a position.

Now for a little bit of a more solid nature.

Do you know that if you get twelve miles on a gallon of gasoline which is a fair average, you pay one cent tax on every 2.4 miles you drive.

I over heard a teacher lecture on occupations. He closed with this statement: "But after all, the hardest job of all is trying to appear busy when you're not.

V. T. S.

WHY WE SHOULD HAVE GIRLS B. B.

Taxpayers are paying for the maintainance of a coach and the Physical Education department.

Some of the taxpayer's children are girls. They like to see their children representing their school.

Girls enjoy the rivalry that exists between their teams as well as the boys. The "carry on" spirit is bubbling over.

Do not the girls get recreation that they would not get otherwise? Do not they develop more sportsmanship and respect for others through this channel?

So aren't the parents going to be more interested in Springfield and Springfield's athletics if their family is represented? There are people who prefer Girls' basketball to Boys' basketball.

HUDSON WINS

With a spirited fourth quarter attack, after being held on even terms for the first three quarters, Hudson high scored a touchdown and point to win the annual battle with Springfield last Friday afternoon.

A pass, Scoutten to Watson, followed by a nice sideline run, placed the ball on Springfield's 8 yard line. Scoutten then crashed through left tackle for the score, and shortly after converted the extra point.

Springfield's principal gains were made on passes, Morris to Smart, Arnold, Igleheart, and Austin. Smart was especially "on" in this game, doing nice work crashing the line as well as in receiving passes and going places with them.

Weaver's tackling was outstanding. Igleheart showed up well at end in one instance "stealing" a pass intended for him out of the arms of a Hudson player.

The team was handicapped without the services of Simpson but made up in fight for the deficiency in experience and weight.

The new substitutes were given a chance in this game. K Krohmer, Jas. Heddleston and G. Richards.

S. H. S. LOSES HOMECOMING

Before a homecoming crows of 700 people, Springfield Field, October 6, Springfield bowed to Norton by a score of 13-0.

Taking advantage of breaks and fumbles, Norton, an exceptionally weak team in previous games, scored the upset of the county league by turning back Springfield, the first time in the history of the two schools.

Norton scored eleven first downs to Springfield's five, mostly by means of line plunges and off tackle plays.

Bokoski brothers were mainly responsible for these.

Junior Smart was cheated of a touchdown by having to detour around a kids bicycle after taking a pass from his own 40 yard line to Norton's 10 before being tackled.

GREENSBURG GAME CHANGED

The North Eastern Ohio Teachers Association annual meeting will be held next Friday necessitating the change of the Greensburg game to Thursday. School will be dismissed.

VARSITY "S" ORGANIZES

The constitution of the Varsity "S" Association has been drawn up, the officers elected and it is on its way to become the most influential club in the high school, At present it has more power to regulate the student body and athletic squads than any other organization and it intends to do just that.

The present lettermen are charter members. In the future anyone eligible to membership because of earning a varsity "S" must first sign a pledge and be voted upon by the members. All offenders who have been accused of breaking training will be called before the organization and possible suspended both from playing and from membership in the club.

Candidates for basketball must present a certificate of approval from the "S" club before being permitted to try out for the team. Smokers, beware !

The officers elected are as follows: Dale Simpson, president; Margory Markly, vice president; Mary Frances Myers, secretary; and Leroy Spires, treasurer.

SQUAD LOSES SIMPSON

The local squad was greatly hampered Friday by the loss of Dale Simpson, one of the backfield mainstays and the team's most consistent punter. Dale had been playing 3 weeks with a fractured leg and when he was examined was told he couldn't play for the rest of the season.

He had been walking on crutches until Monday evening when he fell down the stairs at home and dislocated his shoulder badly. Now he cannot walk. We all hope that Dale has had his share of bad luck for a long while and that he will recover soon.

CASUALTIES-LAST WEEK

Bob Austin--Sprained arm and ankle
Dale Simpson-Fractured leg and arm.
Louis Bair--Strained leg muscle.

SO FAR--THIS WEEK

Palmer Iglehart--ineligible.
Fred Donovan-----ineligible.
Lawson Weaver--Sprained ankle.

Rough initiation was held last Tuesday in the woods of the McCulty farm. There was a preliminary weiner and marshmallow roast and then the fun began accompanied by the Hi-Y paddles. Miss Margaret Loreaux, one of the new faculty advisors and also a charter member, decided the initiations have become worse;-but that they're still fun.

Formal initiation will be held at Lucille Walker's, Oct. 23.

Hi-Y meeting was held at the home of Louis Bair, Oct. 16. The feature of the evening was a talk by Mr. Robert Malone, president of the Summit County Hi-Y Clubs. Rough initiation will be held next week at Max Kemmerline's for the following new members: Jack Beech, Jack Arnold, Norman Perry, Lyle Hendershot, Bill Heddleston, Evan Young, Palmer Iglehart and Paul Marsh.

NEW STUDENTS

Two new students have entered Springfield High School this week. Jack Murray, of West High, freshman, and Hazle Bergdorff, of South High, Sophomore. We trust that their stay at Springfield will be long and happy.

GRIDIRON IMPROVED

What a whale of a difference a few posts make! Have you fully realized yet that at last we are able to keep the crowd off the football field during a game?

After the incident of the bicycle, which cost us a touchdown in the Norton game, it was decided to build fence. Posts were donated by Bob Sawyer, cut by Mr. Milhoan, set by Mr. Schropp in holes dug by Mr. Workman and Co. (mainly the Co.) and painted by Schropp, Workman & Co. with paint, found somewhere, gray in color, and spiffy in appearance.

Then some heavy cable was secured, passed thru holes that were bored about 2½ feet from the ground, and stretched taut, anchored to a "dead man" at each end.

The result is an upto-date athletic field, lacking only a covering of sod, bleachers, and a fence around the outside to keep out the chiselers. The school thanks all who worked on this project.

P. S.

Oh yes, we forgot to mention about the new goal posts.

Norton's excruciating exuberance over at last winning a football game from Springfield was evidenced by the fact that the old weather-beaten goal posts on the local field were torn down in pieces, for which we are duly indebted and humbly grateful.

Now we are sporting a new set of 2-inch pipe goal posts, set in cement, and painted red and gray. Thanks again, Norton ex-hi's.

CORRECTION: In the Sept. 19th issue of the Sprag Roosevelt reported a ball score of 11-3 in favor of their girls over Lakemore; and a 15-5 score in favor of the Lakemore boys. These s should have been 11-6 and 15-4--according to the Lakemore reporter.
