NEW SHRUBBERY PLANTED ON HIGH SCHOOL LAWN

Last week found the new shrubbery, trees, etc., purchased by the Garden Clubs and other organizations in connection with the high school, being planted on the high school lawn.

A beautiful hedge of Japanese Barberry now extends around the three sides; beautiful evergreens are variously located just in front of the building; many other kinds of flowering and decorative shrubs are artistically set in different places.

The result is a most desirable setting,--a front lawn in keeping with the fine building.

The people of the township should be justly proud of this worthy achievement.

NOW ANOTHER BIG PARTY PLANNED BY THE GARDEN CLUBS

In order to raise the balance of the $200 purchase price of the landscaping project, the Garden Clubs are planning another big party at the high school.

Last spring over $100 was realized at a similar occasion. The goal is set at a like amount or even better this year.

The hearty cooperation shown by all last year, if repeated, will guarantee success this year.

The high school organizations will have an active part again.

The date,--Friday, Nov. 23.

****AMERICAN EDUCATION WEEK******
Visit the Schools.

"OPEN HOUSE" PROGRAMS PLANNED IN TOWNSHIP SCHOOLS

American Education Week, sponsored nationally each year by the American Legion, the National Education Association, and the U. S. Office of Education, will be appropriately observed next week by the Springfield township schools.

Monday Night:	Sawyerwood
Wednesday " :	Lakemore and Krumroy
Thursday " :	High School
Friday " :	Roosevelt

At the request of the Board of Education, the grade schools arranged their programs so as not to interfere with the high school.

In addition to the musical program shown on page five, the high school program includes an interesting talk by Mr. W . J. Bankes of Akron, on the subject, "Educating for Tomorrow".

All the schools will feature room displays in connection with their programs.

Parents are urged to attend these programs and to visit the schools during the week.

STUDENTS ENTER PRINCE OF PEACE DECLAMATION CONTEST

Five Springfield high students will participate in the preliminary event of the Prince of Peace contest at the Lakemore M.E. church on Sunday, Nov. 11.

They are Amos Holland, Ada Rose Hendenhall, Mildred Hendenhall, Robert Good, and Bennis Grable. Mr. Kick is coaching the contestants.

GIRLS BASKETBALL STARTS

Nearly forty girls responded to the first basketball round-up Monday noon. Miss Spinneweber, the new girls' coach, gave an outline of what would be expected from all applicants and they were required to fill out Varsity "S" application blanks. Although the regular practice season has not yet begun, all those interested and having sixth period open, reported to the gym yesterday and are feeling the results of this sudden exercise today. Their first game is December 14 with Tallmadge.

FOOTBALL SQUAD CONTINUES TO LOSE

The SHS grid squad continues to find it hard to break into the winning column.

With the season three-fourths gone, they have to their credit but one victory, over Stow, 26-0, and five defeats. They have lost to Norton, 13-0; Hudson, 7-0; Ellet, 59-7; and Greensburg, 14-0.

With two hard games yet to be played, Coventry and Mogadore, the team will have to snap out of its indifferent attitude or take the responsibility for the most disastrous season in the history of the school.

Lets start this new season, as the coach calls it, off right by walloping Coventry this Friday and Mogadore one week later on Saturday.

The coach says that the first season ended last Friday and the new one started this Monday. The season will be a success if they win the last two games.

Lets all be there to see what the team can really do. We're still hoping.

CHAMPION SPELLER

Wednesday morning one of the Bachelor Quartette came into the office leading Edwin Phelps. It seems the teacher had observed shy Edwin carrying a medal around in a box and endeavored to investigate. The medal was the one Mr. Phelps received as the Grade School Spelling Champ of Springfield Twp, last year, representing Krumroy.

JUNIOR NEWS

The Junior Jackets will not be here until next week. There is a strike on by the people who are making the leather sleeves, therefore, the jackets will not be ready until after the strike is settled.

TEACHERS ATTEND N. E. O. T. A.

While the students enjoyed their first holiday, 15,000 teachers from all over Northeastern Ohio met in Cleveland's Public Auditorium last Friday for their annual convention.

The morning was spent in listening to Dr. Hocking of Harvard discuss "Activity of Students"; and President Hutchinson of Berea College, Ky. on the subject, "Teach Yourself and Students How to be Poor and Still not be Criminal".

A mixed chorus composed of High school students from the schools of the northeastern section of the state gave several fine selections. Hudson was the only Summit county school represented.

In the afternoon the teachers attended sectional meetings in practically every subject taught as well as in other phases of school work.

Mr. Apitz and teachers of Sawyerwood School wish to thank all who helped to make their carnival a huge success. Gross proceeds were $170.00.

Sawyerwood school is planning to hold an exhibition of papers, written work, to show the parents.

My Dear Sweet, Smart, S--------,

Your're the greatest group of sweetness I have ever seen in all of my born days. I am working at present on a new astounding invention, I am sure I shall have it completed before long and then I shall wrack my brains for an invention to remove the partitions from peoples' noses. I'm sure I shall be even greater than Einstein in my accomplishments, but ah! I must never permit conceit to advance to my head.

So long, sore toe,
Lovingly,

ARE YOU A KNOCKER?

Have you ever turned in one Sprag item? Have you ever criticized constructively instead of destructively? Have you ever tried to boost your school paper either in the school or elsewhere? If not, then you haven't much room to knock it, have you? It isn't an easy job to get out an edition and we need the support of the whole student body. Why not, as part of your Booster Club pledge, your Haromano pledge, your Hi-Y pledge, your own pledge, decide to boost the Sprag and to write articles for it--or, if not, at least to voice your complaints openly and to the proper persons? You have already been assured that you will be given full acknowedgment for your work and this is also an opportunity for those of you who are looking toward next year's Sprag staff. How about it?
