and

The Ann Arbor Board of Education

Snow and Emergency Building Closure Days

The Ann Arbor Education Association and the Ann Arbor Public Schools Board of Education agree to the following regarding snow days and other emergency building closure days:

In an effort to ensure the district does not exceed the six (6) snow days allotted by the State, in the event of a snow or other emergency building closure days the district will transition to remote, ~~learning~~ virtual instruction as opposed to closing for the day.

The remote, virtual instruction days will follow the instructional day plan designated in the COVID Mitigation and Remote Virtual Instruction Memorandum of Agreement dated January 5, 2022.

In the event, and effective thereon, that the State waives any additional days for closures due to ~~Acts of God~~ emergency building closure days, the district will resume adherence to past practice in which a snow day or emergency building closure days is called, the district will be closed. This will not be retroactive but effective as of the date that the State of Michigan or any of its departments enacts the waiver.

This will be in effect for the 2021-2022 school year.

This Memorandum of Agreement constitutes the entire understanding and agreement reached by the parties with respect to this matter, and is not precedent setting as to the master contract or the policies of the Board of Education of the City of Ann Arbor.
