

Memorandum of Agreement

Between

The Ann Arbor Education Association

And

The Ann Arbor Board of Education

Quarantine Learning Plan

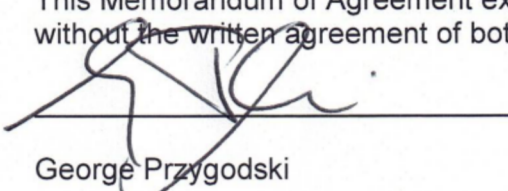

The Ann Arbor Public Schools is committed to ensuring continuity of learning for our students in the event of quarantine or extended illness. We understand and value the strong connections between our AAPS teachers and their students and we will work to ensure that students remain on track with learning during a health interruption.

Our commitment to ensuring quality instruction across each of our schools includes our commitment to continue live, in-person instruction without hybrid intervention. The quarantine learning plan below ensures that regular, daily, in-person instruction continues while providing instructional support for those who must engage in learning outside of the school environment via online support.

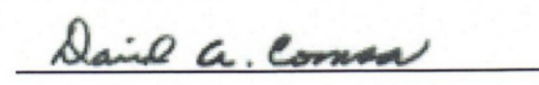

As such, the AAEEA and the Ann Arbor Board of Education have worked collaboratively creating a *Quarantine Learning Plan* for the 2021-22 academic year, which is incorporated by reference. The parties understand the need for flexibility, and like the original *Continuity of Learning Plan*, will work collaboratively to address issues and concerns as they arise to ensure safe, successful instruction in the event of quarantine

The parties will continue the QLP huddle to keep the plan current to discuss and amend the QLP if necessary. This Memorandum of Agreement constitutes the entire understanding and agreement reached by the parties with respect to this matter, and is not precedent setting as to the master contract or the policies of the Board of Education of the Ann Arbor Public Schools.

This Memorandum of Agreement expires at the end of the 2021-22 school year and shall not renew without the written agreement of both parties.
