We are in the process of setting up ACH payments for those of you who have been receiving checks from the Central Office. These payments will be for mileage, reimbursements, and any other payments for which you would normally receive a check. These ACH payments are being set up to go to the same account as your payroll.

**This does not have any effect on your payroll or W-2's.**

You should receive an email from [payables-noreply@tcboe.org](mailto:payables-noreply@tcboe.org) with an ACH statement when the payment is processed. This will give you the pertinent information about the payment (amount, date processed, purpose of payment, etc.). The funds should be in your account or pending in your account on the following business day. The description should show something like the following: ACH DEP TALL CO BOE XXXSS####.

Our hope is that this will be more convenient for you since there will be no lost checks in the mail, no trips to the bank, etc. while saving the Board of Education money for printing and mailing checks.

If you have any problems or questions, please contact the Business Office.

Thank you!

*We will provide an engaging, rigorous curriculum empowering  
all students to be college and career ready.*
