About Lake Middle School

Lake Middle School (LMS) serves students in grades six through eight. LMS was recognized as a National Blue Ribbon School of Excellence in 2022 from the U.S. Department of Education. Teachers work as a team at each grade level and meet daily to coordinate curriculums, interdisciplinary themes, technology and discuss students.

LMS staff members focus on supporting all students in their social and emotional learning throughout their daily school experiences. Developing and reinforcing skills in thinking, learning and positively communicating with others in all that they do and they say is a priority of ours when working with today's youth. Themes of Leadership, Academics, Kindness and Excellence (LAKE) are the basis of our work.

LMS is committed to providing opportunities for all students both inside and outside of the classroom setting. There are many extracurricular and leadership opportunities including athletics, music, theater, robotics and service-learning clubs. All students are encouraged to explore their interests, participate and become involved in their school.

Enrollment and Staffing

1180 + students are enrolled at Lake Middle School.
