

Grade 5 - Visual Arts (Grade 5)
Structure: Movement and the Human Form (2022-23)
(15 - 18 Days) Aug - May

Overview

During the Structure: Movement and the Human Form unit students demonstrate understanding art and the movement of the human form to express an idea.

The new learnings for students are ways artists use structure and rules of proportion to create the human figure.

Additional Learning:

- Figurative Sculpture: Armature
- Movement
- Proportion
- Emphasis: center of interest
- Artistic process is planned yet unpredictable
- Cross-Content Math and Science in Art
- Write Artist Statement
- Formal or In-Process Critique to reflect/refine

The 15-18 days in the trimester is the rotation schedule of the Elementary Level AMP classes. Lengthen or shorten unit to address time constraints.

Grade 5 - Visual Arts (Grade 5)
The Open Window or the Picture Plane: Exploring Value and Perspective (2022-23)
(15 - 18 Days) Aug - May

Overview

During the Open Window or the Picture Plane : Exploring Value and Perspective unit students demonstrate understanding one point and two point perspective to create the illusion of space and form

The new learnings for students is the illusion of depth is a concept and skill in art making.

Additional Learning:

- Linear Perspective Drawing
 - One point: independently render
 - Two point: guided instruction
 - Showing depth
 - Write Artist Statement
 - Formal or In-Process Critique to reflect/refine

The 15-18 days in the trimester is the rotation schedule of the Elementary Level AMP classes. Lengthen or shorten unit to address time constraints.

Grade 5 - Visual Arts (Grade 5)
Visual Problem Solving: Design and Composition (2022-23)
(15 - 18 Days) Aug - May

Overview

During the Visual Problem Solving: Design and Composition unit students demonstrate understanding art through analysis and inference with visual problem solving and the use of composition and design techniques.

The new learnings for students are deliberately composing an image as evidenced by students using a specific compositional approach as a design tool.

Additional Learning:

- Design and Composition (changing aspects: size, placement)
- Golden Mean, Rule of Thirds
- Write Artist Statement
- Formal or In-Process Critique to reflect/refine

The 15-18 days in the trimester is the rotation schedule of the Elementary Level AMP classes. Lengthen or shorten unit to address time constraints.
