Registration Tip:

Double check the accuracy of your email, company name and contact information as this is how you will receive bid notifications and what buyers will see when viewing your vendor profile.

You are just a few simple steps away from:

- Receiving real-time notifications of matched bids & RFPs
- Instant notification of addendum from buyers
- Full access to online bid documents
- Promoting your products & services to buyers
- And so much more!

Working Categories

It is important to select categories for every product or service that your business provides. You can search for specific categories or browse through all categories.

Selected Category

Please specify your organization's working categories.

NIGP CATEGORY

Add Categories

You can search for codes by typing specific keywords related to your business.

Registration Tip:

Search by keyword to find all relevant codes.

Select the NIGP codes that most closely match your products and services offered. These codes are how participating buyers distribute bid opportunities. Your real-time solicitation matches will be based on these code selections.

In addition, statewide notification of other matching bids throughout specific regions will be distributed to you based on your NIGP code selections.

Select your relevant NIGP Codes by Categories to begin:

- Receiving real-time alerts of bids & RFPs matching these codes
- Instant notification of addendum
- Full access to online bid documents
- Promoting your products & services to buyers
- And so much more!
