About the Sports Medicine Center at Children's Hospital Colorado

Our Sports Medicine Center leads the region in state-of-the-art treatment for developing Athletes. From helping athletes maximize the benefits of nutrition to changing the game in concussion research, our team of physicians, athletic trainers, physical therapists, dietitians and specialists delivers comprehensive care designed specifically for growing bodies. This work, backed by one of the best pediatric hospitals in the nation, helps young athletes improve performance and heal faster from injuries.

Sports Medicine Center Locations

Same-day appointments are offered five days a week in locations throughout metro Denver.
