

ACCESSING MILESTONES AND NWEA MAP SCORES

VIEWING STATE ASSESSMENT SCORES VIA THE ASSESSMENT TAB

Note: You will only see scores for your GCA student through the Assessments Tab in the Parent Portal if your student took the Georgia Milestones EOC/EOG as a GCA student. Incoming scores from other school districts will be made available through the Statewide Longitudinal Data System (SLDS). At this time, both scores and domain data are available for Spring Milestone EOC/EOG; however, only the scores are available for the Summer Milestone EOC/EOG. The state usually publishes all tested domain data to the SLDS in late August or early September. Continue to check there for more information about specific tested domains for Summer Milestone EOC/EOG.
