

Give Kids A Smile®

ADA American Dental Association®

Give Kids A Smile® is an annual volunteer initiative providing free educational, preventive and restorative services to children from low-income families. Thousands of dentists across the country will take time from their practices to help underserved children who aren't getting the oral health care they need.

Will You Join Us?

Give Kids a Smile focuses on the epidemic of untreated oral disease among disadvantaged children and delivers the message that dentists alone can't solve this problem without a real commitment from government and society. And to provide an effective platform from which dental societies can advocate common sense, market-based solutions to local access problems.

Your Community Needs You!
