Maypearl ISD Summer 2022 Demographics Summary

- > According to the 2020 Census, Maypearl ISD had a total population of 5,826 with 1,937 total households
- > 2022 estimates show that the district's total population has grown to 6,071 with 2,023 households
- The overall population and total households have been growing at an average near 2-3% per year
- Official enrollment for the 2021/22 school year was 1,178 students making the district 84th largest among the 90 public school districts that make up the DFW area
- > As of August 2022, district enrollment is a record 1,198 students (+1.7% YoY or +20 students vs Fall 2021)
- Elementary enrollment (2nd-5th) climbs to a record high of 355 students in August 2022
- > 91% of enrolled students in MISD live within the district boundary; 9% transfer-in from other districts
- Dallas-Ft. Worth housing market activity remains at record levels, but Summer 2022 produces first signs of a market slowdown with the surge in mortgage rates; overall demand drivers remain in great shape
- > Demand for new homes in Maypearl ISD continues to increase
- Annual starts reached a record high in mid-2021 near 180 homes; 112 new homes were started from 3Q21-2Q22; Annual closings climbed to a record high of 115 units from 3Q21-2Q22
- > Move-up homes priced from \$300-400K remain the dominant new home product types in MISD
- MISD's median new home price remains level, near \$367K (-0.8% YoY) [DFW = \$424K]
- > Developers delivered 37 new residential lots in MISD over the past 12 months
- > 53 vacant, fully developed single-family (SF) residential lots were left as of month-end June 2022
- > 385 lots are currently under development at Brahman Ranch
- > The district currently has about 900+ total SF residential lots in-process/planned
- Homebuilders are now on track to produce about 475 new single-family homes in MISD over the next 5 years, and complete 900 currently in-process/planned homes by Fall 2031
- > New homes in the district are currently yielding an average of 0.59 enrolled students per home
- If moderate growth occurs, district enrollment would see a net increase of 181 students over the next 5 years (averaging a 2.9% annual increase)
- > If high growth occurs, then enrollment is expected to increase at nearly 4.0% per year
- > By 2026, housing growth is expected to push district enrollment up to 1,300-1,400 students
- > By 2031, district enrollment could surpass 1,700 students
- Kirkpatrick ES and MHS have the capacity to handle the projected growth, but the Primary and MS 41 campuses are over or near functional capacity and will need to be addressed
