DISTRICT BOARD POLICY & LABOR AGREEMENTS

Every childcare provider is expected to be familiar with Midland Public Schools' District Board Policy and Labor Agreements in order to be aware of policies and operational practices under which the district operates. The Board policies and labor agreements are available on the District website www.midlandps.org.

CORPORAL PUNISHMENT AND LIMITED USE OF REASONABLE FORCE (4203)

"Corporal punishment" is defined as the deliberate infliction of physical pain by hitting, paddling, spanking, slapping, or any other physical force used as a means of discipline. Corporal punishment does not include physical pain caused by reasonable physical activity associated with athletic training.

Employees will not inflict, or cause to be inflicted, corporal punishment upon any student under any circumstances. Any employee who engages in corporal punishment against a student will be subject to discipline, including discharge. An administrator or supervisor will report the employee to CPS consistent with **Policy 4202**.

Employees may use reasonable physical force upon a student as necessary to maintain order and control in a school or school-related setting for the purpose of providing an environment conducive to safety and learning.

The District may provide training to employees on the use of reasonable force and physical intervention techniques. If the District has provided that training to an employee, the employee must comply with that training.

Employees must comply with **Policy 5211** on Seclusion and Restraint of students and federal and state law. An employee's illegal use of seclusion or restraint may result in discipline, including discharge.

ANTI-HARASSMENT POLICY (4102)

Employees will have the opportunity to work in an atmosphere free from unlawful harassment, including sex-based harassment, as defined by state, federal, and local laws. The District prohibits quid pro quo and hostile work environment harassment.

The District will promptly and thoroughly investigate complaints pursuant to **Policy 4104** alleging unlawful harassment and take appropriate action, including discipline, against any person found to have violated this Policy. Investigation determinations will be based on a preponderance of the evidence.

Unlawful harassment is strictly prohibited. This Policy applies to employee conduct perpetrated against other employees, parents/guardians, officers, Board members, agents, contractors, volunteers, and members of the public. Although Title VII sexual harassment falls within this Policy, Title IX sexual harassment does not. For the District's Policy on Title IX sexual harassment, see **Policy 3118**. Allegations that an employee engaged in unlawful discrimination, harassment, or retaliation against a student will be investigated under **Policy 5202**.

This Policy applies to unlawful conduct related to work in any way, regardless of location.

Definition of Unlawful Harassment.

Except with regard to **Title IX Sexual Harassment Policy 3118**, the following definitions apply:

1. "Quid pro quo" harassment occurs when a supervisor requires sex, sexual favors, or sexual contact from an employee or job candidate as a condition of employment and where:
 - submission to that conduct or communication is made a term or condition, either explicitly or implicitly, to obtain or maintain employment; or
 - submission to or rejection of that conduct or communication is used as a factor in a decision affecting a person's employment.
2. "Hostile work environment" harassment is unwelcome verbal, visual/written, or physical conduct towards an employee because of the employee's race, color, national origin, ethnicity, religion, sex (including pregnancy), height, weight, marital status, gender identity, age, sexual orientation, disability, genetic information, veteran status, military service, or any other protected class and that has:
 - the purpose or effect of creating an intimidating, hostile, or offensive work environment;
 - the purpose or effect of unreasonably interfering with an employee's work; or

- an adverse impact on a person's employment opportunities.

Definition of Sexual Harassment. While all forms of harassment are prohibited, special attention should be paid to sexual harassment. "Sexual harassment" is generally defined under both state and federal law as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature where:

- Submission to or rejection of such conduct is made either explicitly or implicitly a term or condition of any individual's employment or as a basis for employment decisions; *or*
- Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment.

Other sexually oriented conduct, whether intended or not, that is unwelcome and has the effect of creating a work environment that is hostile, offensive, intimidating, or humiliating to workers may also constitute sexual harassment.

While it is not possible to list all those additional circumstances that may constitute sexual harassment, the following are some examples of conduct that, if unwelcome, may constitute sexual harassment depending on the totality of the circumstances, including the severity of the conduct and its pervasiveness:

- Verbal: Unwelcome comments, including: the use of derogatory, sexually suggestive, or vulgar language; the use of sexual innuendo; unwelcome advances or repeated requests for dates or sexual favors; threats based on or motivated by a person's sex; demanding or pressuring another person to submit to sexual requests or advances to attain academic or professional achievement; threatening another person's academic or professional reputation if that person does not submit to sexual requests or advances; or any other similar behavior.
- Visual/Written: Subjecting another person to sexually suggestive, pornographic, or obscene images, text, or cartoons, including by electronic mail, text message, letter, or any other medium; the use of obscene gestures toward or around another person; leering at another person; or any other similar behavior.
- Physical: Unwanted kissing, touching, patting, hugging, pinching, or any other unwanted physical contact; impeding another person's normal movements; stalking, assault, or battery based on the victim's sex; any other physical interference with another person based on that person's sex; or any other similar behavior.

All employees should take special note that, as stated above, retaliation against an individual who has complained about sexual harassment and retaliation against individuals for cooperating with an investigation of sexual harassment complaint is unlawful and will not be tolerated at Midland Public Schools.

Federal legislation has imposed severe restrictions on the release of student information to outside agencies. The same legislation spells out, in detail, the rights of parents, legal guardians and majority-age students to see their records. The Board of Education has adopted a policy that is very specific in detailing the procedures by which anyone other than staff members may obtain information from the records. Any request for access to any student record information from anyone other than staff members should be referred directly to the administrator in charge.

PRIVACY POLICY

On December 12, 2005, the Board of Education for Midland Public Schools approved the Social Security Number Privacy Policy, which went into effect January 1, 2006. The policy will be included in the District Board Policy. The policy states: "The District shall protect the confidentiality of social security numbers of staff, students, and all other individuals it may have in its records. No person shall knowingly disclose, distribute, transfer, or unlawfully use the social security number of an employee, student, or any other individual from any records of the District. Documents and records containing social security numbers will be kept in a secure environment with need to know access by authorized personnel only." The Superintendent shall establish procedures to implement this policy. Social Security Number Privacy Act 454 (MCL 445.81-87).

SCHOOL SAFETY AND SECURITY (3400)

Protecting the safety of our employees and visitors is the most important aspect of running our school district.

All employees have the opportunity and responsibility to contribute to a safe work environment by using common sense rules and safe practices and by notifying management when any health or safety issues are present. All employees are encouraged to partner with management to ensure maximum safety for all.

SMOKING, TOBACCO PRODUCTS, DRUGS, AND ALCOHOL (3102)

Smoking is not allowed in company buildings or work areas at any time. "Use of tobacco product" means any of the following:

- the carrying by a person of a lighted cigar, cigarette, pipe, other lighted smoking device, or electronic nicotine delivery system;
- the inhaling or chewing of a tobacco product;
- the placing of a tobacco product within a person's mouth; or
- the smoking or use of electronic vapor or other substitute forms of cigarettes, clove cigarettes, other lighted smoking devices, or other electronic nicotine delivery systems for consuming or inhaling tobacco or any other substance.

The District prohibits the sale, possession, distribution, dispensation, or use of tobacco products, electronic cigarettes, vaporizers, and all electronic nicotine delivery systems on property owned or operated by the District.

District personnel should review Policy 4210 for the district's drug and alcohol free workplace policy.

The District may also prohibit the use of these products at District-related events.

INCLEMENT WEATHER POLICY

Childcare Workers are expected to report to work. An employee who will be delayed in reporting to work because of difficulties in traveling, or who may even be prevented from arriving at all, is to contact his/her supervisor to report the difficulties. Each supervisor is authorized to approve the employee's being late (or in justifiable circumstances, absent) in this situation. Such absences are to be recorded as "miscellaneous approved absence" on the payroll records. Requests to review a decision on an employee's tardiness or absence, if necessary, should be referred to the Associate Superintendent of Administrative Services.

PERSONAL DAYS

Every associate childcare provider shall have two (2) paid personal days per school year to use anytime unless stated otherwise.

The lead childcare provider shall have ten (10) paid personal days per school to use anytime unless stated otherwise.

Personal days must be pre-approved by the program supervisor. Only one request for a personal day will be granted on any given day. Personal day requests shall be granted on a first come first served basis. Personal days are not cumulative and must be used on normal workdays. Childcare providers employed initially within a school year and/or work less than the number of student instructional days per year are allotted a prorated number of personal days based on the number of days worked per school year.

BEREAVEMENT

Absence not to exceed five (days) in any one year for reason of death for a spouse, child, sibling, parents, parent in law, daughter in law, son in law, grandparent, grandchild, or dependent of the immediate household resident. Absence for death of others not named above will be granted on written request to the Director of HR. Such leave shall not be cumulative nor counted as part of sick leave.

FAMILY AND MEDICAL LEAVE ACT (4106)

Midland Public Schools complies with the federal Family and Medical Leave Act (FMLA), which requires employers to grant unpaid leaves of absence to qualified workers for certain medical and family-related reasons. The company also abides by any state and local leave laws. The more generous of the laws will apply to the employee if the employee is eligible under both federal and state laws.

Please note there are many requirements, qualifications, and exceptions under these laws, and each employee's situation is different. Contact the Human Resources department to discuss options for leave.

Basic Leave Entitlement. The FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons: (1) for incapacity due to pregnancy, prenatal medical care, or childbirth; (2) to care for the employee's child after birth or placement for adoption or foster care; (3) to care for the employee's spouse, son or daughter, or parent who has a serious health condition; or (4) for a serious health condition that makes the employee unable to work.

Military Family Leave Entitlements. Eligible employees with a spouse, son, daughter, or parent on active duty or called to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include addressing issues that arise from (1) short notice of deployment (limited to up to seven days of leave); (2) attending certain military events and related activity; (3) arranging childcare and school activities; (4) addressing certain financial and legal arrangements; (5) attending certain counseling sessions; (6) spending time with covered military family members on short-term temporary rest and recuperation leave (limited to up to five days of leave); (7) attending post-deployment reintegration briefings; (8) arranging care for or providing care to a parent who is incapable of self-care; and (9) any additional activities agreed upon by the employer and employee that arise out of the military member's active duty or call to active duty.

The FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties and for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

Benefits and Protections During FMLA Leave. During FMLA leave, the Company will maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees will be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms. However, an employee on FMLA leave does not have any greater right to reinstatement or to other benefits and conditions of employment than if the employee had been continuously employed during the FMLA leave period.

Employee Eligibility. The FMLA defines eligible employees as employees who: (1) have worked for the Company for at least 12 months; (2) have worked for the Company for at least 1,250 hours in the previous 12 months; and (3) work at or report to a worksite which has 50 or more employees or is within 75 miles of Company worksites that taken together have a total of 50 or more employees.

Definition of Serious Health Condition. A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job or prevents the qualified family member from participating in school, work, or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than three consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave. An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced work schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies also may be taken on an intermittent or reduced work schedule basis.

Pay while on FMLA leave. Employees will use personal or family illness bank while on FMLA leave. When the balance has been exhausted, the employee will be on unpaid FMLA leave.

WORKPLACE ACCOMMODATIONS FOR EMPLOYEES AND APPLICANTS WITH DISABILITIES (4105)

The District complies with the ADA, Section 504, the MPDCRA, and other federal, state, and local laws that prohibit discrimination in employment against qualified persons with disabilities. The District does not unlawfully discriminate against otherwise qualified employees or applicants for employment with a physical or mental impairment that substantially limits one or more major life activities, those regarded as having a disability, or those with a record of a disability.

An applicant or employee with a disability, like all other applicants and employees, must meet the District's requirements for the job, including education, training, employment experience, skills, or licenses/certifications. An applicant or employee with a disability must be able to perform the job's essential functions with or without reasonable accommodation(s). After an applicant has been given a

conditional job offer, the District may ask disability-related questions about the applicant's ability to perform the essential functions of the position with or without reasonable accommodation.

An employee who requires a reasonable accommodation to perform essential job functions must promptly inform the employee's supervisor or the Superintendent or designee. An applicant who requires a reasonable accommodation to perform essential job functions must promptly inform the Superintendent or designee after receiving a conditional offer of employment. A reasonable accommodation is defined as a change in the work environment or in the methods of performing work to enable an otherwise qualified applicant or employee to perform the essential job functions of a position and to enjoy equal employment opportunities.

An applicant or employee who believes he/she has been discriminated against under this Policy must promptly file a complaint using the Employment Complaint Procedure in **Policy 4104**.

JURY DUTY

Any employee chosen for jury duty shall be excused without penalty or loss of salary.

MILITARY LEAVE (4107)

The District complies with the Uniformed Services Employment and Reemployment Rights Act (USERRA), Michigan's Military Leaves Reemployment Protection Act (MLRPA), and Michigan's Public Employees Entering Armed Forces Act (MPEEFA). The term "military service" as used in this Policy includes the "uniformed services" as defined in the USERRA, "service" as defined in the MLRPA, and "military duty" as defined in the MPEEFA.

Military service also includes service and training in the Army, Navy, Marine Corps, Air Force, Coast Guard, applicable reserve forces, Army National Guard, Air National Guard, Commissioned Corps of the Public Health Service, and other categories of persons designated by the U.S. President in times of war.

In qualifying circumstances, eligible full- and part-time employees may take leave related to military service and are entitled to reemployment and other rights during and at the conclusion of military leave. Military leave is unpaid, but employees may use accrued applicable paid leave for all or a portion of their military leave in accordance with a collective bargaining agreement or individual employment contract.

All employees who enter military service may accumulate a total absence of 5 years and still retain employment rights.

BENEFITS

Employees who are scheduled to work 30 hours or more per week (75%) are eligible for and are automatically covered by the district's term life and accidental death and dismemberment insurance plans upon designation of beneficiary(ies). The coverage is for an amount equal to twice the employee's annual contractual salary rounded off to the next higher one thousand dollars. The district pays the entire cost of the life and AD&D insurance programs.

A group hospital-medical-surgical and pharmacy insurance program is available to eligible employees and their spouses and dependents upon application during the enrollment period. The district offers MESSA high deductible Health Savings Account (H.S.A.) Plan. The district shares the cost of coverage with the employee. The employee's premium is based on a pre-tax percentage of annual salary.

A group dental insurance program is available to eligible employees and their spouses and dependents upon application during the enrollment period. The district pays 100% of the premium for this coverage.

Employees are automatically enrolled and covered by the district's long-term disability insurance program. The district pays 100% of the premium for this coverage.

A vision insurance plan is available and eligible to employees upon application during the enrollment period. The district pays 100% of the premium for the employee's coverage. However, employees have the option to purchase vision coverage, at the full premium cost, for their spouses and dependents.
