2021-2022

Creating a SkillsUSA Chapter

- SkillsUSA is a partnership of students, teachers and industry working together to ensure America has a skilled workforce.
- SkillsUSA offers local, state and national opportunities for students to learn and practice personal, workplace and technical skills.

2022-2023

Creating a DECA Chapter

- DECA prepares emerging leaders and entrepreneurs for careers in marketing, finance, hospitality and management in high schools and colleges around the globe.
- DECA's comprehensive learning program provides authentic, experiential learning through project-based activities; connects students to businesses; and promotes members to excel and improve their performance through competitions.
