Boys only have cross country, football, basketball, wrestling and track.

Statistics

Mens Soccer is the most played and most beautiful sport in the entire world, almost 8 out of 10 kids worldwide play soccer, why not kickstart that passion here in this school.

The skills that soccer can teach you

Soccer isn't just about kicking around a ball it can also teach you things. One of the things it taught me was respect/sportsmanship. It can also teach you discipline.

Interest

As of 2:07 on January 17th we had 57 people of all grades who would be interested in playing soccer if it was offered here at Miller Junior High!

Also 85 percent of the school would love to see a soccer team, to play or spectate, so we would have people show up to games.

**Thank you for your time and hopefully we
changed your mind of making Boys Soccer a
possibility at Miller Jr High School**
