

Dear Parent/Guardian:

All Students entering 6th grade in the fall of 2024 are required to have a Preventative Health Care Examination (school physical) within one year of enrollment. They are also required to be up to date with their Kentucky Immunizations.

These services may be obtained at your local medical provider's office or health department. In addition to these locations, we are pleased to be able to offer these services through our Healthy Kids Clinic located inside your child's school. You do not have to be present for the exam, although you are welcome to attend if you choose. This service will be provided only to students with parent/guardian permission.

If you would like your student to have their school physical and immunizations completed by the Healthy Kids Clinic, please sign and fill out the information below. A copy of the school physical and immunizations we be retained on file at your child's school. Upon completion of the exam, you will be notified of the results.

Should you have any questions, please do not hesitate to contact your student's school nurse or you can contact the Healthy Kids Clinic directly at 1-844-435-0900!

Classroom Incentive

All classrooms that have 75% of their school physicals & immunizations turned in to the school nurse by May 1st will receive a pizza party sponsored by the Healthy Kids Clinic! (Exam and immunizations do NOT have to be completed by the Healthy Kids Clinic to count toward the total)

I give permission for Healthy Kids Clinic to complete the required Physical & Immunizations on:

*A separate vaccine consent form will be sent home with your student once their immunization record has been reviewed.
