Fall Festival

The PTG organized and ran the annual Fall Festival on October 27. Each year gets better, outdoing the previous year. This year students enjoyed making scarecrows, a petting zoo, and a hayride to a makeshift pumpkin patch to pick out their personal pumpkin, among other fun activities. We are thankful for the PTG which provides many “extras” for our students and staff.

Veterans Day

Our ninth annual Veterans Day breakfast and program was held November 10. It was our honor to host over 70 distinguished guests. Students created a huge paper link flag to display, fourth and fifth-graders sang, and the band played several patriotic songs. Fifth-grade students served the Veterans and ran the entire program, which was planned by Mrs. Jessica Barkley.
