## News from Mr. Kruger, MS/HS Principal

It has been an excellent year thus far at Strasburg Middle School/High School. Students and staff have been engaged in a variety of activities to make this a successful year.

The students have been actively involved in the academics, arts, and athletic opportunities. The Fall sports season was a great way for our school and community to celebrate our student athletes at football, volleyball, golf, and cross country events, as well as, listening to and watching our excellent marching band and color guard. The marching band competed in a variety of band shows this Fall and participated in an off-campus performance opportunity at the Atwood Fall Festival. The Fall sports season culminated with the success of **Kylie McKenzie** qualifying for the State Cross-Country Meet.

Speech and Debate is once again competing this year. Mrs. Lake and the students are looking forward to another successful season. Big Brothers and Big Sisters volunteers are once again working with our elementary students to provide mentoring opportunities and connections with our younger tigers. The National Honor Society students, along with Mrs. Morosko, performed community service with Blessings in a Backpack. NHS also hosted Breakfast with Santa on November 18 in the cafeteria. Sixth-graders attended Camp Muskingum in early November for their outdoor education experience. Thank you to Mr. Hershberger and Mrs. Haney for chaperoning this event again. Youth 2 Youth once again sponsored Red Ribbon week this Fall to support healthy habits and a drug-free lifestyle.

It is a privilege to get to work alongside an amazing staff at Strasburg Middle School/High School to provide academic, arts, and athletic opportunities for all students. We appreciate your continued partnership and support with our students.

Go Tigers!

## Sixth-Grade Camp

Sixth-graders attended sixth-grade camp at the FFA Camp Muskingum in Carrollton from November 8-10. Weather was good and the kids had a great time!

## Career Fair

Juniors and seniors attend the Career Fair at Kent State University in October. It was an incredible opportunity for them to explore various academic and professional paths.
