

STRASBURG-FRANKLIN TIGER PRIDE

December 2023 • Issue 25 www.strasburgtigers.org

Welcome to Winter

Let me start by saying that our hearts go out to Carrollton Schools, Buckeye Career Center and Tusky Valley Schools for their losses. The Strasburg-Franklin community stepped up and wrapped their arms around those in need. I commend all of you for the support you provided to all that needed it. We truly have an amazing community and we understand that our community is far reaching and without boundaries.

As we enter the winter season, we will communicate any and all snow days via All Call text and phone call, Social Media and radio/TV alerts. Students are always excited for a snow day and have been asking for one since August, we will see what we can do for them.

We had a wonderful Fall Sports season. Our football team competed and showed outstanding growth on the field and in the weight room. Always a great season when you can beat TCC! Our Volleyball Team won the IVC for the first time in 19 years and we had the Coach of the Year in the IVC with Coach Archer and player of the year with Riley Thomas. In Cross Country, Kylie McKenzie had another amazing season earning a trip back to Columbus for the State meet.

Shout out to the Parent Teacher Group (PTG) for such an amazing Fall Fest. Our PTG is the best around and really cares about giving our students a wonderful experience. If you are interested in participating or supporting the PTG, please contact the school for information. Additionally, our Tiger Foundation is another outstanding organization who supports our students and staff. They identify the distinguished alumni and honor them at graduation. If you are interested in a brick to honor or recognize someone, please check out their Facebook for more information

or contact the Foundation at strasburgtigerfoundation@gmail.com.

We continue to make safety enhancements to our district. We ask that you bring a Photo ID when visiting our district to enter the building during the school day and that includes picking your child up early. With more safety and security enhancement, it may be more inconvenient at times to ensure that all safety protocols are being followed. Additionally, we welcome a School Resource Officer into our district. This positive experience and great working relationship with the Village Police Department only was strengthened.

Our Multipurpose Athletic Complex, now formally called The MAC, is open to the public. We ask anyone wanting to use The MAC contact Gary Spinell to complete the waiver form. Tentatively, The MAC will be available in the mornings before school, evenings Monday-Friday and the weekends from 2-8pm. While school is in session and students are in the building, The MAC will be closed to outside visitors.

We look forward to an exciting 2024 and welcome all of you to be part of our district. We are eager to see you at our basketball games and school events. While here, be sure to show that Tiger Pride! Thank you for being the foundation to such a great school district and community. Let's continue to be the best in all we do, it's the Tiger Way!

Go Tigers!
