School Hours 9:40AM - 4:10PM

Reminder: Please do not drop off your child earlier than 9:20AM. Breakfast doors open at 9:25AM.

Remind your child as the season changes so does the weather. Students should dress appropriately for the season.

School Safety and Security:

Students are often aware of situations before adults, so please remind your child that it is important for them to immediately report concerns to a trusted adult. This helps us take quick action to ensure the safety of all students and staff. Concerns may also be submitted on the Tipline on the MySPPS app or online at

<http://www.spps.org/safety>.

There are serious consequences for students who violate SPPS rules and policies. We will follow our discipline procedures as outlined in the [Student Rights and Responsibilities Handbook](#).

If you have any questions or other concerns about school safety and security, please call me directly at 651-744-2569. Thank you for supporting your child and Saint Paul Public Schools.

News from our School Nurse:

Immunizations and Sports Physicals

Minnesota state law requires each student entering 7th grade to update their immunizations. The state law requires all students to have the proper documentation on file for the following vaccines before 7th grade.

- Tetanus/pertussis booster– Tdap (given after the 7th birthday)
- Meningitis (meningococcal)

Parents may object to immunizations for medical reasons or by conscientious exemption. Please contact the nurse for this form.

Please schedule your doctor appointment this spring to update immunizations. You should also have a sports physical completed by your doctor if your child will be participating in a school sport. A sports physical is good for three years.

Please email the nurse with any information or questions.
