Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department of agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage section of rule implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

Dear Larry,

Thank you for your interest in establishing the eligibility of your organization to participate in the Federal Surplus Property Program. Attached to this email, please find several forms that must be completed and submitted to continue the process of your organization's eligibility review. Following the receipt of all required items, your organization's eligibility will be evaluated. If it appears your organization is eligible, you will receive an approval letter; however, if it is determined that your organization is ineligible, you will be notified by mail and all your client's documents will be returned.

The chief administrative officer is to complete, sign and submit one original Form 201, Form 202, Form 203, Form 204, Terms and Conditions, and complete the Federal General Services Administration Certification Form regarding debarment. Please be advised that no stamped or photocopied signatures will be accepted on any document, only original signatures and forms are accepted. On the Form 202, Section A, please print no more than five names of individuals who will be authorized to screen and obtain surplus property on behalf of your organization and include their titles and original signatures. Since you are not a State Agency, you may skip section C, but please complete Section B

Please send all correspondence and documents to my attention at the address listed on the forms. Incomplete or missing documents will delay the processing of your application. Please be aware that surplus property may only be obtained by eligible organizations directly from Federal or State facilities and eligible organizations are responsible for all service and handling fees involved to obtain property, including all transportation costs. Since we are a not-for-profit entity, our Service and Handling fees allow us to cover our overhead expenses. Our current Service and Handling fee for the Federal Program is based in an item's Original Acquisition Cost as follows: 9% of the OAC or \$100.00, whichever is greater.

Livestock fees will be the greater of either \$100 or \$20 a head.

Aircraft over \$100,000 shall have a \$5,000 service and handling fee.

The fee for State surplus property will be based on the average auction price.

Again, thank you for your interest in the Federal Surplus Property Program. Should you have further questions, please feel free to contact me.

Thank you,

Darci King, Manager
