

Stemley Road Elementary School CIP 2022-2023

Stemley Road Elementary School

Vision

Students at SRES will take ownership of their learning in order to possess the skills needed to be life-long learners.

Mission

SRES will educate and motivate all students to be responsible, independent, life-long leaders in society.

Beliefs

We believe that all students have the potential and opportunities to become leaders in the 21st Century.

School Culture

Objectives

- Build a positive school culture by creating an environment that nurtures student and teacher efficacy, ownership, and school pride.

Critical Initiatives

- Reduce behavior incidents by creating a more cohesive, engaging, and student-centered learning environment.
- Use the tiered RtI method for behaviors and document consistently to identify Tier II and Tier III behaviors.
- Consistently communicate positive and negative behaviors to parents.
- Provide teacher support for developing efficacy in classroom management and student engagement.

Student Proficiency

Objectives

- Teachers will provide research based strategies in reading and math to improve student proficiency.

Critical Initiatives

- Teachers will implement a variety of strategic teaching methods.
- Teachers will receive professional development in reading and math throughout the year.
- Students will receive additional support in reading and math from a certified interventionist.
- Teachers will use research-based curriculums for math and reading instruction and intervention.
- Teachers will use tiered instruction to meet the needs of all

Parental Involvement

Objectives

- Create an environment that provides opportunities for all stakeholders to be successful.

Critical Initiatives

- Build ongoing partnerships with businesses to support student achievement.
- Provide multiple opportunities for parents to participate in school activities and initiatives.

Critical Initiatives

- Develop a sense of student efficacy and ownership in behaviors and academics.

Critical Initiatives

learners, including students with learning disabilities.
