Continuation of Coverage for Dependents to Age 26 The Patient Protection and Affordable Care Act (PPACA)

The Patient Protection and Affordable Care Act (PPACA) requires health plans that provide dependent coverage to cover dependents to age 26 beginning with plan renewals in October 2010.

The consortium in which your district participates has elected not to implement the provision early. Per the regulations, the extension of dependent coverage up to age 26 will not begin until July 1, 2011.

If you have any questions regarding the decision, please contact your district.
