The form used to start the formal grievance procedure is to be filed with the Grievant's principal or immediate supervisor. Within five (5) days of the filing of the formal Stage I grievance, the principal or immediate supervisor shall hold a hearing with the Grievant in an attempt to resolve the grievance. The Grievant may invite a CCT building representative to be present at the hearing. If the grievance is resolved, the resolution shall be stated in writing and signed by the teacher, the building representative, and the principal or immediate supervisor within five (5) days of the Stage 1 hearing. Within ten (10) days of the filing of the Stage II grievance, the superintendent or their designee shall hold a hearing with the Grievant in an attempt to resolve the grievance. The Grievant may invite a CCT building representative to be present at the hearing. The CCT Grievance Committee chair shall be invited to the hearing. If the grievance is resolved, the resolution shall be stated in writing and signed by the teacher, the CCT building

representative, and the superintendent or designee within five (5) days of the Stage II hearing. If the grievance is not resolved, the Grievant may submit the grievance to binding arbitration.

Within ten (10) days of the Grievance Committee's filing with the Superintendent of Schools, the designated arbitrator shall be jointly contacted by the parties. The arbitration shall be held before one of the following arbitrators, selected, to the extent practicable, on a rotating basis, and availability on a timely basis:

1. Howard Edelman
2. Bonnie Siber-Weinstock
3. Carol Wittenberg
4. Richard Adelman
5. Jeffrey Selchick.

The arbitration shall be held pursuant to the Voluntary Labor Arbitration Rules of the American Arbitration Association, and it shall be the duties of the parties to mutually make arrangements with the Arbitrator to conduct the proceedings. The Arbitrator shall hold such hearings as deemed necessary and shall render a decision in writing. The Arbitrator shall not have the power to alter or amend, add to, or change the terms of this agreement or the conditions of employment of teachers in this District. The arbitrator shall, however, have the power to interpret and apply this contract and specify a remedy. The Arbitrator's decision shall be final and binding on both parties. The cost of arbitration shall be borne equally by the District and the Congress.

- D. DISTRICT RIGHTS – The District, at any time, acting through the School Board or the Superintendent of Schools may, in its sole discretion, register a grievance against the Congress or one of the members of the negotiating unit for failure to comply with the terms and conditions of this agreement by filing a written complaint on the appropriate form with the Superintendent of Schools, who will transmit the complaint to the President of the Congress. Within ten days of the presentation of the complaint, there shall be a conference concerning the complaint by the District between representatives of the Congress and the District. If the complaint cannot be resolved at this level, the District may, in its sole discretion, and at its sole option, bring the complaint to arbitration, Stage IV of the grievance procedure. Use of this procedure shall in no way be construed as a waiver of the District's right to bring disciplinary proceedings.
- E. REPRISALS – The fact that a grievance is raised by a member of the unit, regardless of its ultimate disposition, shall in no way result in any reprisals by the District.
- F. At any point in the grievance process the parties may agree in writing to "stop the clock" and pause the grievance process.

## **Teachers' ARTICLE 13 – Teacher Files**

No evaluative materials, excluding references and information obtained in the process of evaluating the teacher for employment, shall be placed in a teacher's file unless the teacher has an opportunity to read the material. The teacher shall acknowledge that he or she has read such material by affixing their signature on the actual copy to be filed with the understanding that such signature merely signifies that the teacher has read the material to be filed. Such signature does not necessarily indicate agreement with its content. An employee's refusal to sign a document does not preclude said document from being placed in the employee's file.
- B. The teacher shall have the right to answer any material filed, and the teacher's answer shall be reviewed by the building principal and the Superintendent and attached to the file copy.
- C. Upon reasonable notice, the teacher may review the contents of any of their files at the Education Center with the Assistant Superintendent for Human Resources or designee or at the building with the building principal or the principal's designee. Any such letter must be filed within 12 months of its receipt by the district. The teacher shall have the right to appeal to the Superintendent of Schools whether such correspondence is inaccurate and/or unfair. The Superintendent's determination can be appealed to the Board of Education whose decision shall be final.

## **Teachers' ARTICLE 28 – Sick Leave**

- A. Any teacher, absent on account of personal illness or any quarantine regulation of the Board of Health, shall be entitled to full salary for up and including (15) days during a school year which may be accumulated to a maximum of 200 days, except as hereinafter provided.

Up to (5) days of personal sick leave shall be transferrable for use on an annual, non-cumulative basis for a family illness. Family encompasses an employee's spouse, children, parents, siblings, grandparents, grandchildren and in-laws.

Should the employee use a sick day immediately adjacent to holidays or vacations, the District may ask for medical documentation.

In the event that a teacher is going to become a parent through adoption or surrogacy, the teacher may convert up to 15 sick days to personal days to be used consecutively in conjunction with this event. For the same event, the teacher may also utilize assigned personal days, but is not eligible for family illness or emergency leave bank days unless there are extenuating circumstances.

In addition, (1) day of personal sick leave may be converted for use as a personal leave day, provided the teacher has already used all (3) regularly provided personal leave days, and provided the teacher makes the request and specifies the reason on the personal leave form at least three days in advance to the building principal (The three day notice provision may be waived by the Principal in the event of an emergency). This request must be approved in advance by the building principal, and must meet the same criteria and follow the same process as described for days requested immediately adjacent to holidays or vacations in Article 29 (A) of this agreement.

Should the sick leave be covered under the provisions of pension or compensation law, only the difference between the employees' salary and that compensation paid by the other agency shall be paid by the District.

- C. Regularly approved leaves, including leaves of absence, educational leaves and parental leaves, shall be construed to provide retention of accumulated sick days for use upon return to full-time

### **Teachers' ARTICLE 29 – Other Leaves**

- A. A teacher shall be granted up to three personal leave days with pay during each school year in order that he or she may meet serious personal obligations which can only be accomplished on a work day, such as: Family obligations, non-family funerals, legal matters, personal business, etc. Except in unusual or extenuating circumstances, notification for such leave shall be given at least three days in advance to the building principal on the personal leave notification form. A teacher need not specify reasons for taking such leave unless it immediately precedes or follows a holiday or vacation period or falls on a Superintendent's Conference Day, in which case the leave would first need to be approved by the building principal. In the case of an emergency, the provision for three days' notice may be waived at the discretion of the building principal. Such leave, if not used, shall be cumulative as sick leave, but in no event shall it be in addition to the sick leave cumulative ceiling.

- C. A teacher shall be granted leave for jury duty on full pay. The District shall be reimbursed by the teacher for per diem compensation paid for jury duty. In the event such reimbursement is not received by the District before the end of the school year, such money shall be deducted from the teacher's final checks.   - V. A teacher must return to the District for at least one academic year prior to application for a subsequent child care leave.
  - VI. A child care leave shall be concluded at the commencement of the school year, end of the first quarter, and end of the second quarter as defined by the district calendar (apart from leave taken as FLMA leave).
