Teachers' Contract ARTICLE 6 – Grievance Procedures

- A. PURPOSE -- The purpose of this procedure is to provide a means for the rapid and equitable settlement at the lowest possible level of alleged violations of this Agreement.

B. DEFINITIONS

A grievance shall be a claim by a teacher or group of teachers in the unit stating that there has been a violation of this Agreement. The decision as to the appointment of a probationary teacher to a permanent position shall not be a matter subject to grievance.

A grievant shall be a teacher or group of teachers filing a grievance.

A grievance committee comprised of one member from each school shall be appointed by the Congress to represent teacher grievances beyond Stage II.

The term day shall mean teacher's working school day.

- C. PROCEDURES – The existence of the Procedure hereby established shall not be deemed to require any teacher to pursue the remedies herein provided and shall not in any manner impair or limit the right of any teacher to pursue any other appropriate remedies available.

Nothing herein contained shall be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the Administration, and, as an outcome, having his grievance adjusted without the intervention of the Congress, provided the adjustment is consistent with the terms of this Agreement. The Congress shall have the opportunity to be present and to state its views through the Grievance Committee at any level in the grievance procedure beyond Stage II.

Failure of the responsible school officer at any step of this procedure to communicate the decision on the grievance within the specified time limits shall permit the aggrieved teacher to proceed to the next step. Failure of the grievant to bring the grievance to informal presentation within ten days of its occurrence or to appeal the grievance to the next step within the specified time limits shall be deemed a waiver of the grievance, and the grievance shall abate. In the event that an employee alleges that a grievance is based upon newly gained knowledge of facts or conditions which could have constituted the grievance within the ten day provision, the employee may bring a grievance subsequent to the expiration of this period, but in no event may any grievance be filed in excess of thirty days from the date upon which the act or conditions upon which the grievance is based occurred.

Stage I – Informal Appeal. Every grievance must be presented informally to the grievant's principal or immediate supervisor within ten days of the occurrence of the events underlying the grievance. If mutual agreement has not occurred after an informal oral presentation of a grievance to a grievant's immediate supervisor or principal, the formal steps set forth below shall be followed. The immediate supervisor or principal shall orally dispose of each grievance informally presented within five days following the informal presentation.

Stage II – Formal Appeal to the Supervisor or Principal. If the grievance is not settled satisfactorily at the informal stage, a grievant may file a written grievance on the appropriate form within five days of the decision handed down as a result of the informal presentation. The form used to start the formal grievance procedure is to be filed with the grievant's principal or immediate supervisor.

Within five days of the filing of the grievance, the principal or immediate supervisor shall hold a hearing with the grievant in an attempt to resolve the grievance. The grievant may invite a Congress building representative to be present at the hearing. If the grievance is resolved, the resolution shall be stated in writing and signed by the teacher, the building representative, and the principal or immediate supervisor. If the grievance cannot be resolved, the principal or immediate supervisor hearing the grievance shall issue a written decision on the grievance within five days of the hearing.

Stage III – Formal Appeal to Superintendent of Schools. If the grievance is not resolved at the conference or the grievant is not satisfied with the written decision, the grievant may appeal the decision to the Superintendent of Schools. Such appeal must be filed with the Superintendent of Schools on the appropriate form within five days of receipt of the decision of Stage II. It shall be in writing, shall contain a copy of the written decision of Stage II, and shall state the reasons for the appeal. The grievant shall also file a copy of the appeal with the Grievance Committee at the time it is filed with the Superintendent of Schools. Within ten days of the receipt of the appeal, the Superintendent or designee shall hold a hearing with the Grievance Committee and the grievant in an attempt to resolve the grievance. If the grievance is resolved, the resolution shall be stated in writing and signed by the grievant, the Superintendent of Schools, and the chairman of the Grievance Committee. If no resolution is reached, the Superintendent shall issue a written decision on the grievance within five days of the hearing.

Stage IV – Binding Arbitration. If the Grievance Committee is not satisfied with the Board's decision, it may submit the grievance to arbitration by filing a written notice with the office of the Superintendent of Schools on the appropriate form, within five days of receipt of the Board's decision. Within ten days of the Grievance Committee's filing with the Superintendent of Schools, the designated arbitrator shall be jointly contacted by the parties. The arbitration shall be held before one of the following arbitrators, selected, to the extent practicable, on a rotating basis, and availability on a timely basis:

1. Howard Edelman
2. Bonnie Siber-Weinstock
3. Carol Wittenberg
4. Richard Adelman
5. Jeffrey Selchick

The arbitration shall be held pursuant to the Voluntary Labor Arbitration Rules of the American Arbitration Association, and it shall be the duties of the parties to mutually make arrangements with the Arbitrator to conduct the proceedings.

The Arbitrator shall hold such hearings as he deems necessary and shall render a decision in writing. The Arbitrator shall not have the power to alter or amend, add to, or change the terms of this agreement or the conditions of employment of teachers in this District. The arbitrator shall, however, have the power to interpret and apply this contract and specify a remedy. The Arbitrator's decision shall be final and binding on both parties. The cost of arbitration shall be borne equally by the District and the Congress.

- D. DISTRICT RIGHTS – The District, at any time, acting through the School Board or the Superintendent of Schools may, in its sole discretion, register a grievance against the Congress or one of the members of the negotiating unit for failure to comply with the terms and conditions of this agreement by filing a written complaint on the appropriate form with the Superintendent of Schools, who will transmit the complaint to the President of the Congress. Within ten days of the presentation of the complaint, there shall be a conference concerning the complaint by the District between representatives of the Congress and the District. If the complaint cannot be resolved at this level, the District may, in its sole discretion, and at its sole option, bring the complaint to arbitration, Stage IV of the grievance procedure. Use of this procedure shall in no way be construed as a waiver of the District's right to bring disciplinary proceedings.
- E. REPRISALS – The fact that a grievance is raised by a member of the unit, regardless of its ultimate disposition, shall in no way result in any reprisals by the District.

Teachers' Contract ARTICLE 7 – Legislative Authority

Teachers' Contract ARTICLE 13 – Teacher Files

- A. The teacher shall acknowledge that he or she has read such material by affixing his or her signature on the actual copy to be filed with the understanding that such signature merely signifies that the teacher has read the

material to be filed. Such signature does not necessarily indicate agreement with its content.

- B. The teacher shall have the right to answer any material filed, and the teacher's answer shall be reviewed by the building principal and the Superintendent and attached to the file copy.
- C. Upon reasonable notice, the teacher may review the contents of any of his or her files at the Education Center with the Assistant Superintendent for Human Resources or designee or at the building with the building principal or the principal's designee. Upon request, the teacher shall be given a copy of the current formal evaluation report. A representative of the Congress or another representative of the teacher's choice may accompany him or her.
- D. Correspondence received by the District relative to a teacher shall be treated with the utmost discretion. If, after investigation by management, the contents are believed to be significant, the named teacher shall be promptly informed. If the correspondence is to be filed, the teacher shall have the right to make written response. Said response shall be attached to all file copies of the original letter. Any such letter must be filed within 12 months of its receipt by the district. The teacher shall have the right to grieve to the Superintendent of Schools whether such correspondence is inaccurate and/or unfair. The Superintendent's determination can be appealed to the Board of Education whose decision shall be final.
- E. Upon request, single photo copies of the contents and records of his or her file, except such confidential references given at the time of the teacher's employment, shall be made available to the teacher.
- F. Two personnel files shall be kept on a teacher, one at the teacher's school, the other at the Education Center. Copies of all evaluative material shall be maintained at the Education Center.

- C. For the 2007-08 school year, the District shall contribute to the Fund an annual rate of \$1,350 per member payable on a semi-annual basis with \$675 per teacher payable on July 1, 2007, and \$675 per teacher payable on February 1, 2008.

Teachers' Contract ARTICLE 27 – Tax-Sheltered Annuities and Credit Union

- A. The District agrees to enter into a written agreement with any teacher during the months of September and January to reduce the annual salary for the purpose of purchasing a tax-sheltered annuity for the teacher. The District reserves the right to limit the number of additional companies to be selected by employees.
- B. The District and the Congress assume no fiduciary responsibility for such tax-sheltered annuities, and they shall not be held liable for the performance or management of such funds. - C. Regularly approved leaves, including leaves of absence, educational leaves and parental leaves, shall be construed to provide retention of accumulated sick days for use upon return to full-time service in the District. Said days may not be accumulated during the period of such approved leaves.

Teachers' Contract ARTICLE 29 – Other Leaves

- A. A teacher shall be granted up to three personal leave days with pay during each school year in order that he or she may meet serious personal obligations which can only be accomplished on a work day, such as: Family obligations, non-family funerals, legal matters, personal business, etc. Except in unusual or extenuating circumstances, notification for such leave shall be given at least three days in advance to the building principal on the personal leave notification form. A teacher need not specify reasons for taking such leave unless it immediately precedes or follows a holiday or vacation period or falls on a Superintendent's Conference Day, in which case the leave would first need to be approved by the building principal. In the case of an emergency, the provision for three days' notice may be waived at the discretion of the building principal. Such leave,

if not used, shall be cumulative as sick leave, but in no event shall it be in addition to the sick leave cumulative ceiling.

- B. Any teacher, absent on account of illness or death in the immediate family, shall be entitled to full salary for five (5) days during a school year. These days are separate and distinct from the 15-day personal illness and are not to be included in accumulated days.
