

Our Purpose, through volunteerism and fundraising, is to Promote the Welfare of our students, Foster Relationships within our school community, and Support Programs and Events, which benefit our students, families and staff.

I. President

a. Welcome

b. Guest speaker: Megan Wilson (CCS Dietician). Food service includes before school meals, lunch and after school. Every 3 years CCS is evaluated for food service. Meals include the 5 food components. Next year there is a proposed compost.

c. Flower Sale update. CE is already \$9,300 ahead of where we were this time last year. Pick up will take place back at CE this year. There will be a sign up for time slots for pick up. Flower sale continues through Monday.

d. 2023 – 2024 preparation

i. Slate and budget vote – 4/14 at 8:30 am.

ii. 2022-23 slate and budget proposal. Included \$100 for the Ascension Staff and \$100 for Officer Wolak to give items to the kids. Art, Media and Music will receive the additional experience, \$2,500 each.

II. Vice President

a. Committee updates. We are down across the board with community partnership. We are at \$1,650 for community partnerships thus far. Evere on March 29th, Condado brought in \$200 this year. April 19th Noodles and Company from 4-8pm. Texas Roadhouse brought in \$142. Chipotle by Meijer on May 3rd.

More Group had their meeting and is working to provide support for flower sale. Pups Running starts on April 11th. Media schedule is out for the rest of the year and need the most help on Thursday and Friday

III. Principal. Red Carpet Report Card Day Monday with all school convocation to set goals and last quarter commitment. Kids should wear their CE shirts. IRead scores should come before Spring Break to parents. ILearn will start right after Spring Break, April 17th. As we spring forward tardies and absence tends to go up. Some parents have received some letters regarding school absences. If your student has a doctor's excuse, those days will count as a medical excuse. When a student has more than 7 absences, those absences go into the Project Aces (Hamilton County) pool. Try to generate communication to parents after 7 absences. Then after 10 absences another letter is generated. No one is in trouble. Total absence should be limited from 7 to 10. This includes vacation and illness days. CE will host Math Bowl on April 11th.

IV. Treasures.

Budget report. Received last Amazon Smile \$150. Received \$350 from Kroger. Asking teachers to submit their receipts before the end of the school year.

V. Communications. John has been updating the website regular

VI. Recording Secretary

VII. School Board Liaison

VIII. New Business

a. Volunteers of the month: Flower Sale Committee

IX. Important Dates
