

## Minneapolis Public Schools Elementary Student Behavior Agreement

One important way to create a school that feels safe, welcoming and supportive for all students, staff and families is to have expectations we agree on. When we do this together, all members of our community are able to learn, contribute and be treated with kindness and respect.

### Here are some of the behaviors that will help you be successful at school:

<ul style="list-style-type: none"><li>• Come to school every day, on time, ready to learn</li><li>• Treat yourself and others with respect</li><li>• Follow school and classroom rules and agreements</li><li>• Work to learn at your best ability</li></ul>	<ul style="list-style-type: none"><li>• Talk to your family about what is happening in school</li><li>• Handle all school materials and property with care</li></ul> <p>Note: Personal electronic devices like smartphones, are only allowed at school if your caregiver has an agreement with your school administrator.</p>
