

## **ALLERGY ACTION PLAN REQUIREMENTS**

To care for your child during an allergic reaction at school, the school must have an Allergy Action Plan completed. Have your physician complete and sign the Allergy Action Plan and Medication Authorization Form for your child and return it to the school. Please feel free to reach out to the school clinic with any concerns or questions you may have.

**All paperwork and medication must be in place before the start of the school year.**

**All medication must be picked up on the last day of school by an adult.**
