

Preserve the PAC

THE PAC: the 730-seat Grants Pass High School Performing Arts Center (PAC) is the gem of Josephine County, boasting the best acoustics of any hall between Seattle and San Francisco. The PAC is an essential space utilized by both school and community dance, music, theater, and entertainment groups. It is vital to making performing arts available in our region.

PRESERVE: In 2024, the PAC will celebrate 25 years of hosting the performing arts. During this time, the PAC has sustained some wear and tear. With some renovation, the PAC will continue to serve our community for many more years. The Four Way Community Foundation has partnered with Grants Pass School District 7 to help renovate the PAC and create an endowment to preserve it for future generations.

COMMUNITY PARTNERS:

Grants Pass School District 7 and the Four Way Community Foundation have applied for grants and are seeking donations. To achieve their goals, they will need community support.

HOW YOU CAN HELP:

You can help preserve the PAC by making a Community Partner Donation. Community Partners will be featured on the prominent Donor Wall at the PAC theater entrance.
