Book Summary (abbreviated, bulleted list or link to a book summary)

Hannah Steele finds her strength during a disaster. A simple afternoon of babysitting turns into a battle for survival. It is only her 2nd time babysitting when a terrifying earthquake shakes the house, knocking out the power, damaging the house, and making cell service nonexistent. Even worse, the ferry and the bridge, connecting the kids to help, are blocked and they are left stranded and alone. Hannah is in charge as things go from bad to worse.

Potentially Objectionable Content (list all categories and at least one example, referenced with a page or chapter number)

Trauma- There are several instances of fear and trauma throughout the book as this is a survival story and the characters are fighting for their lives in the aftermath of . For example on page 226, the main character

Violence- There are a few occasions where characters are injured in the aftermath. For example on page 124, a character breaks a leg and it is described in detail.
