Dr. Keith W. Hiltz, Superintendent of Schools

January 4, 2024

Wausau School District Community:

As we start a new year, one of our goals is to enhance our communication within the Wausau School District. To start, we're going to begin sending emails to you at the beginning of each month with a list of the quick headlines you need to know.

Here are the headlines for January 2024:

- January 12 marks the end of the quarter. While it will be a typical day of learning for our middle and high school students, our elementary schools will dismiss for the day at 11:30 a.m. This is necessary for record-keeping purposes. As a result, there will also be no AM/PM PreK classes on this day.
- In an effort to ensure our staff can spend some time in professional development, there will be no classes for ALL students on Monday, January 15.
- We're putting finishing touches on the 2024-2025 school year calendar. We're planning to ask the School Board for initial approval during the Education/Operations Committee Meeting on January 22.
- Have you thought about a career at the Wausau School District? We have a number of vacancies that may be the perfect fit for YOU or someone you know! To view all of our open positions and to apply, click [HERE](#).
Join our team TODAY! We'd love to have you!

Later this month, please watch for the January edition of Wausau School District News. We release these newsletters at the end of each month. As always, it includes important information and updates, as well as celebrations of our students and staff. It's the perfect way to see what's happening in our schools! It'll arrive right to your inbox and is always available on our website under 'About Us,' by clicking on '[News](#).'

In the meantime, we will always send you any important updates that may come up. So, please watch your email, our [Wausau School District website](#), and our social media channels, including [Facebook](#) and [Instagram](#), for the latest.

Thank you!
Diana White
Coordinator of Communications & Marketing
Wausau School District

It is the mission of the Wausau School District to advance student learning, achievement, and success.
