If you are seeking enrollment to Jackson Public Schools, but reside in another district, a **Schools of Choice** application form needs to be completed for your student and returned to the school office. The Schools of Choice application is good for the duration the student is enrolled with Jackson Public Schools.

Please note that the information in the box located near the center of the application needs to be completed and verified by a school official at your child's current and/or previous school prior to processing your application. If you are submitting an application for a student entering school for the first time (Young Five's/Kindergarten), this information does not need to be verified.
