

Title: New Board of Directors' Member Orientation and Development Opportunities

The Superintendent and Board President will be responsible for providing a review of all District functions with new members of the Board. This review shall be available to all other Board members.

In order to perform their responsibilities to the electorate, the State and students, members are encouraged to participate in professional development activities, including workshops sponsored by local, state and national school boards and education associations.

Board members are encouraged to report back to the Board with materials of interest gathered at the various meetings and workshops.
