

Title: Co-Curricular and Extra-Curricular Activities

The District provides co-curricular and extracurricular activities as part of its comprehensive educational program. Co-curricular activities are school-sponsored activities, such as band or choir, for which credit can be earned. Extra-curricular activities are school-sponsored activities, such as athletics, which do not qualify for credit. Interscholastic activities are those co-curricular and extra-curricular activities that involve competitions or productions with other schools. All such activities shall be a part of the school program in order to provide opportunities for experiences not possible in conventional classroom activities. The supervision, administration and monitoring of these activities shall be the responsibility of the building administrators.
