

# YOU'RE INVITED

to our Community Conversations about Future Facility Planning work.

GLENDALE-RIVER HILLS SCHOOL DISTRICT  
FUTURE FACILITY PLANNING

**THANK YOU** to the many staff, parents, and community members who attended the first Community Conversations in November. Your valuable feedback will help the district and its facility planning partners develop potential solutions that address **priority facility needs**, which will be presented during the February Community Conversations.

## COMMUNITY CONVERSATIONS

JOIN US!

**FOCUS:** preliminary long-range facilities plan and project priorities

**When: Tuesday, Feb. 13, 2024**  
10:00 a.m. - OR - 6:00 p.m.

**Where: Glendale City Hall - Council Chambers**  
5909 N. Milwaukee River Parkway

## Future Facility Planning Process

2021 - 2022

- » Conducted **Facilities Condition Assessment** to identify district-wide maintenance needs
- » Established trust fund (Fund 46) to save for ongoing facility improvements

March 2023

- » Studied district-wide **educational adequacy and capacity**

April 2023

- » Conducted **staff surveys** about space usage and improvement opportunities
- » Reviewed and updated **Facilities Condition Assessment**

May 2023

- » Conducted **School Board survey** to understand vision for facilities

Jun - Aug 2023

- » **Toured GDRH facilities** with School Board and community and presented findings from the **Facilities Condition Assessment** and **educational adequacy and capacity findings**

August 2023

- » Reviewed **enrollment study** and **community growth projections**

November 2023

- » **Hosted Community Conversations** focused on current state of our schools, facility needs, and preliminary priorities

February 2024

- » **YOU'RE INVITED - Community Conversations**

Spring 2024

- » Watch for a **community survey**
