

Yates Elementary

23-24 NTI Student/Family Information

In the event of inclement weather, FCPS has these choices:

- Use NTI (non-traditional instruction)
- Cancel school
- Delay the start of school
- Dismiss school early

Please use this [schedule](#) to determine start and end times for Yates in the event of a delay or early release.

Please take a moment to check or update your family's contact information and communication preferences in Infinite Campus to ensure you receive our notifications. [Login to the IC Parent Portal](#) or contact our front office staff for assistance at 859-381-3613.

Effective 1/4/24 Chromebooks will be sent home daily throughout February. If students have access to computers at home, they are NOT required to take home school Chromebooks. **If your student does not need to bring their Chromebook home, please email their teacher to let them know.**

In the event of an NTI day:

- The building will be closed
- Yates students will log into their teacher's Google Classroom for asynchronous instruction
 - Visit [Tech Support](#) or (859) 381-4410 for online assistance
 - The Help Desk can also be used for assistance at (859) 381-4357
- Students will complete assignments, but no new material will be presented
- All teachers will have their Google Meet links and office hours (8:30 AM-10:30 AM) posed on their Google Classroom
- Students receive participation recorded in IC through the completion of the assignments for the NTI day
- Students will have 3 days to turn in assignments once they have returned to school

Yates Elementary Contact Sheet
