**Request for Excused Absence\***

For absences **over** 5 days

Please submit to the office at least two weeks prior to the requested absences dates

Please try to schedule family trips during regular school breaks. We understand that occasionally there are extenuating circumstances. It is important to know that it is very difficult to make up lost instructional time, since much of your child's learning at school is dependent upon student and teacher collaboration, small group work, hands-on learning, and other classroom interactions. These rich classroom experiences cannot be replaced by make-up work.

*Classwork and homework assignments will not be provided in advance.* When your child returns, the teacher will provide make up assignments at his/her discretion, along with a reasonable timeline for completion. The student is responsible for completing missed work.

**\*Please note: State law requires that a student be withdrawn after 20 consecutive absences. You can re-enroll your student(s) once you return, but we cannot guarantee placement back in the same classroom. Once you are back from your trip, please email [svoffice@nsd.org](mailto:svoffice@nsd.org) to let us know when your student will return to school and supply a new of proof of residency to begin the re-enrollment process.**

- My child may need extra support at home with assignments upon returning from the absence
- My child may need to relearn established classroom policies and procedures, or learn new ones
- Assignments will not be provided in advance of the absence(s)

**For out of the country travel - I am requesting my student have access to their school device while absent**
