

THS Business & Industry Endorsement

Animal Science

Program of Study: A1D

Agriculture, Food, and Natural Resources

Career Cluster

Level I Course

Principles of Agriculture

Level 2 Course

Small Animal & Equine Science

Level 3 Course

Veterinary Medical Applications OR Livestock Production

Level 4 Course

Advanced Animal Science OR Practicum in Agriculture

The Animal Science program of study focuses on the science, research, and business of animals and other living organisms. It teaches CTE learners how to apply biology and life science to real-world life processes of animals and wildlife, either in laboratories or in the field, which could include a veterinary office, a farm or ranch, or any outdoor area harboring animal life. Students may also research and analyze the growth and destruction of species and research or diagnose diseases and injuries of animals. This career cluster includes a diverse spectrum of occupations, ranging from farmer, rancher, and veterinarian to geologist, land conservationist, and florist.

Industry Based Certifications:

- **Certified Veterinary Technician Assistant, Level 1**
- **Elanco Veterinary Medical Applications**

Turner HS
