Entrepreneurship

Level 3 Course

Cosmetology 1

Level 4 Course

Cosmetology 2

The Dual Credit Cosmetology Program allows high school juniors or seniors to enroll at San Jacinto College to earn college-level credit, while also fulfilling high school academic requirements. The Cosmetology Operator Certificate of Technology is a course of study designed to meet the needs of students who desire to enter the beauty industry in a short amount of time. The program will provide the student with the technical background and experience necessary to develop the skills and theoretical knowledge required to pass the Texas Department of Licensing and Regulation Examination for licensing to gain entry-level employment in professional salons.

Industry Based Certification:

- **Cosmetology (Operator) Practitioner**

Turner HS

For detailed course descriptions see the Course Selection Handbook.
