Program of Study: A4C

Business, Marketing, and Finance

Career Cluster

Level I Course

Principles of Business

Level 2 Course

Business Information Management

Level 3 Course

Entrepreneurship

Level 4 Course

Practicum of Entrepreneurship

The Entrepreneurship program of study teaches CTE learners how to plan, direct, and coordinate the management and operations of public or private sector organizations. Through this program of study, students will learn the skills necessary to formulate policies, manage daily operations, analyze management structures, and plan for the use of materials and human resources.

Industry Based Certification:

- **Entrepreneurship and Small Business**

Dawson HS
