Level 2 Course

Landscape Design & Turf Grass Management

Level 3 Course

Floral Design

Level 4 Course

Advanced Floral Design

The Plant Science program of study focuses on the science, research, and business of plants and other living organisms. It teaches students how to apply biology and life science to real-world life processes of plants and vegetation, either in laboratories or in the field. This career cluster includes a diverse spectrum of occupations, ranging from farmer, rancher, and veterinarian to geologist, land conservationist, and florist.

Texas State Florists' Association Industry Based Certifications:

- **Knowledge Based Certification**
- **Level 1 Floral Design Certification**
- **Level 2 Floral Design Certification**

Dawson HS
