THE HISTORY OF MARY B. LEWIS ELEMENTARY SCHOOL

Our Beginnings.....

Mary Beryl Lewis was born June 13, 1933, in Indianapolis, Indiana. She was the first of six children born to Vince and Beryl Lewis. In 1943, the Lewis family moved to California to the San Fernando Valley, and then settled in the Bloomington area in 1946. Mary attended 8th grade at Cedar Street School (now the Educational Services Center for the Colton Joint Unified School District) where she was an outstanding student.

On the morning of January 10, 1947, Mary, her brother, and a little neighbor girl waited for their school bus at the corner of Valley Boulevard and Alder. The younger girl dashed into the street in front of traffic. Mary ran after, to push her to safety. The little girl was injured but survived. Mary, however, was struck by a large truck and died at the scene. Because of her act of bravery and her excellent scholastic record, members of the school board approached Mr. and Mrs. Lewis and asked if they could name a new school that was being built in honor of Mary.¹

Mary B. Lewis Elementary School opened in September 1948. The school was founded under the then Bloomington School District and was dedicated October 24, 1952 by the Native Sons of the Golden West. In 1966, the school joined the Colton Joint Unified School District.

¹ Historical information regarding Mary B. Lewis provided by Mrs. Kay Gaumond, Mary B. Lewis' sister.

To pick students up early, parents and guardians must come into the office to sign their student(s) out. Current government-issued identification is a must! Others listed on the emergency card may be designated by the parents ONLY WITH PRIOR NOTICE TO THE OFFICE (preferably in writing.) . If possible, medical and dental appointments should be scheduled for after school.

ARRIVAL AND DEPARTURES

Our instructional hours are 9:15 a.m. to 3:30 p.m. for grades 1-6. TK/ Kindergarten hours are 9:15 a.m. to 1:30 p.m. We begin serving breakfast at 8:40 a.m. Students should not be on campus until 9:00 a.m. unless they participate in the breakfast program.

Bus riders will arrive and depart in the bus turnaround area. All other arrivals and departures will be in the front of the school or the gates at the rear of the school. If you chose to park across the street from the school PLEASE walk your student on to campus. NO STUDENT IS TO BE CROSSING San Bernardino Ave. except at the designated crosswalks.

Every Wednesday is a minimum day. All Transitional Kindergarten and Kindergarten classes will attend school on Wednesday according to their regular daily schedule. Students in grades 1-6 will attend school from 9:15 a.m. to 2:05 p.m. on Wednesday minimum days.

With the exception of students involved in after school programs, students must leave campus by 3:45 p.m. On minimum days all students should be off campus by 2:20 p.m.

ATTENDANCE IMPROVES LEARNING

Regular Attendance is one of the most important requirements for a successful school year. According to Education Code 48200-Compulsory Education, school attendance is required for all children age six through eighteen.

California law states that absences are excused only if the child is ill or there is a death in the immediate family (1-3 day limit). All other absences are unexcused. Any tardy over 30 minutes, except for medical reasons (Note required), is also unexcused. If your child has three unexcused absences and/or tardies in excess of 30 minutes on each of more than three days in one school year, he or she will be considered truant. After three or more unexcused absences or tardies, you will receive a letter notifying you of your child being classified as a truant as per Education Code 48260. If your child has excessive absences or tardies, notes from an authorized person such as doctor or dentist will be required.

Many parents are unaware that going out of town with their children during school is an unexcused absence as are family emergencies. Planning ahead can avoid unexcused absences.

If you must go out of town and it is more than 10 days, your child will be dropped from our roll, and you will have to re-enroll your child on his/her return. There is no guarantee that your child will be put back in the same class.

It is our hope that you have planned and organized so that school is a number-one priority in your family. Make carpooling arrangements, plan trips for holidays and vacations, and have a back-up person available to take your child to school if you are ill or otherwise unable to do so.

It is important to note that when a student is going to be absent, no matter what the reason, his or her parent should call the school as soon as possible. Parents are responsible for notifying the school of an absence. Please call (909) 580-5025.

BALLOONS AND PARTIES

Due to our school's focus on academics, we want to limit the amount of interruptions during the school day. Balloons are only acceptable at 6th grade promotion. Parties with food provided by parents are limited to no more than three per year. The time and dates of any parties are determined by the teacher and are typically limited to major holidays. Should you want to celebrate your child's birthday at school, speak to your child's teacher about their classroom policy. One suggestion is to provide "goodie bags" filled with items like pencils and small toys.

BEFORE SCHOOL AND AFTER SCHOOL ENTRY POINTS

Before school there are two entry points -- front of school (San Bernardino Ave.) and the back of the school (Manzanita Ave.) At the end of the school day, students may exit from these two locations as well as Locust Ave. Any students not picked up after 10 minutes will be brought to the office. Please be aware that the area in front of the school is a three-minute drop-off/pick-up zone.

BEHAVIOR EXPECTATIONS -SOAR

Mary B. Lewis School participates in the Positive Behavior Interventions and Supports (PBIS) program. Clear expectations for all areas of campus have been developed by teachers and staff and communicated to students. Our expectations are summed up in our motto, SOAR: Safe, On-Task, Accountable and Respectful. More information on PBIS is included in a brochure sent to all homes and on our school webpage. A copy of Lewis' PBIS Matrix of desired behaviors is located in this handbook, displayed throughout the school, and will be reviewed in class. Please refer to the back cover of this handbook for the English and Spanish version of Lewis' PBIS Matrix of desired behaviors. We strongly encourage you to review our matrix with your student(s). Mary B. Lewis School also enforces the Education Code. More information on Education Code is available on the Colton School District webpage (www.colton.k12.ca.us) under the Students Services section.

BICYCLES AND SKATEBOARDS

For the safety of all students, the following rules apply to bicycle riders:

1. Bicycles may not be ridden on any part of the campus at anytime.
2. When arriving at school, walk bicycles directly to the bicycle rack.
3. By law, students must wear a helmet when riding a bicycle.
4. Students must lock bicycles to the bicycle support stand with their own personal lock.
5. No motorized bikes, or skate shoes are allowed on campus.

Students may ride skateboards with administration approval. Skateboards will be stored in the office during the school day. Students may not ride the skateboards at any time on the campus.

BULLYING

Bullying is intentional, repetitive, aggressive and hurtful. Bullying can happen anywhere at any time -- at school, on the bus, walking to school AND in social media. Bullying is a violation of Education Code and can result in serious consequences for perpetrators. Students that are victims of bullying need to seek out a responsible adult -- teacher, staff member, administrator, parent, etc. -- as soon as possible to get help. Any pupil who feels he or she has been subject to Bullying may file a formal complaint by completing a Bullying/Harassment Complaint Form at the school site. Investigation will take place and a letter with the findings of the investigation will be mailed within 10 days.

BUSES

For the safety of all passengers, students are expected to follow the rules and to conduct themselves appropriately while riding the bus. Bus transportation to and from school is a privilege, not a right, and therefore can be taken away. Students receiving a referral (a written form of disciplinary action), may temporarily lose their bus privilege. Continued violations may result in permanent loss of the privilege. Students may not change buses without a parent note and administrative approval. A note must be brought to the school office at the beginning of the day for verification and approval.

Behavior Management Flowchart

SATURDAY SCHOOL

Children in first through sixth grade who miss a day of school can make up that day on select Saturdays. Saturday School is held from 8:00 a.m. through 12:15 p.m., and children who attend a full Saturday session make up a full absence. If all absences are made up and a child has no other attendance marks, they still qualify for Perfect Attendance.

SEXUAL HARASSMENT

It is unlawful for pupils to engage in sexual harassment, which is defined as:

- Aggressive unwanted attention, explicit or sexual language, and inappropriate touching, all may be considered sexual harassment.
- It's considered sexual harassment if someone of the same gender agrees that the conduct was severe or pervasive enough to hurt someone's academic performance or cause that person to become fearful or nervous.

Any pupil who feels he or she has been subject to Sexual Harassment may file a formal complaint by completing a Bullying/Harassment Complaint Form at the school site. Investigation will take place and a letter with the findings of the investigation will be mailed within 10 days.

TARDIES

Students are expected to be with their teacher when the second bell rings. Students who are late must report directly to the office to receive a pass to class. Excessive tardies will result in interventions, including a Student Attendance Review Team meeting.

TITLE I PROGRAM

The Title I Program is a federally funded program that provides specialized support to help students achieve academic success.

Some of the programs at Lewis School funded by Title I are:

- Extended learning time
- Literacy and math training

Picking up your students when an emergency requires evacuating buildings.

- During an evacuation, classes report to designated areas in the Student Evacuation Area.
- With the office unavailable, office staff will set up just inside from the bus loading zone.
- Parents arriving to pick up their children report to the Check Out Gate. Office staff will check identification and Emergency Cards. Once confirmed, the parent will be given a slip approving pick up of the student.
- Parents now report to the Pick Up Gate. The slip is presented to the adult in charge, and student runners are sent to get the student.
- When the student arrives, he/she is released to the parent.
