Be An Attentive Driver

Be aware of the areas you are driving through. Be conscious of school zones, crosswalks, vehicle speed, pedestrian traffic, ect. Realize children can be very unpredictable, and may at any time dart out into the streets without warning or reason. Obey all street signs and traffic laws. We want everyone to make it safely to wherever they are traveling. Our children are an invaluable asset that we cannot afford to lose. We must take every effort possible to protect them.

The San Bernardino County Sheriff's Department is dedicated to ensuring the safe passage of our children both to and from school..

With your help we can keep our streets safe for our children and motorists alike.
