Registration appointments will be made for 46 anticipated seats as described above for the upcoming (2024-2025) school year. Pre School Registration appointments will take place in June and you will be contacted to schedule that appointment. Once 46 registration spots are filled, all remaining resident applicants will be placed on a **waiting list** in the order in which the calls have been received. Those resident students on the wait list will be called as openings in the Pre-School Program occur in the order in which they have been placed on the wait list.

As per Board Policy #6178, for the 2024-2025 school year, Pre-Registration will be held for resident students on the first Tuesday of February to make registration appointments for the upcoming school year.
