Annual Report to the Community

FORSYTH SCHOOL FOSTERS A SPIRIT OF CURIOSITY AND JOY, EMPOWERING CHILDREN TO PURSUE CHALLENGES WITH CONFIDENCE.
From the Head of School

Dear Forsyth Community,

We are pleased to bring you our 2022/23 Annual Report, which celebrates our many generous families and friends in the Forsyth School community.

The Forsyth Annual Fund is integral to our school’s operating budget every year, and our community continues to give generously. Our 2022/23 Annual Giving campaign, led by Amy Gill and Ian Hagemann, raised more than $400,000, with family participation at 76%. Thank you for your support of Forsyth School.

For the first time, I had the chance to marvel at the many working parts of our Beyond the Yellow Brick Road Forsyth Auction, which is an incredibly significant event that benefits our students and community.

Co-Chairs Abigail Sharp and Retta Tusscy led the charge, raising more than $400,000, and for that we are most grateful.

We salute our Forsyth Family Organization (FFO) and their significant contribution to making Forsyth a special place with events, engagement activities, and an ever-expanding array of Forsyth merchandise. We appreciate our many parent and caregiver volunteers who support our FFO activities, coach our sports teams, and make in-kind donations to our events. Special thanks to Co-Presidents Sara Beazler and Teresa Caprara for their FFO leadership during this transitional year as we returned to many on-campus activities.

Thank you to our Board of Trustees and their continued commitment to support and governance. With much appreciation, we thank retiring trustee Daniel Martinez for his many contributions and welcome new trustees Ellen Borowik, Tim Froehlich, and Kristy Guffy. We also extend a heartfelt thank-you to Jon Giskas for his steady leadership as Board President and for setting the course for the next Board President, parent and alumna Abigail George, FS ’93.

Together, we continue to build this special place where children have the opportunity to develop the confidence, courage, and resilience to embrace and pursue challenges with a deep-rooted sense of belonging. Together, we live our mission to foster a spirit of curiosity and joy. Thank you for all that you do for Forsyth School.

With gratitude,

Rob Butler
HEAD OF SCHOOL

CHALLENGER LEARNING CENTER INSPIRING TEACHER AWARD
Anne Deken (Grade 6 & Science) and Susan Zareh (Grade 6 & Sustainability) were two recipients of the 2022 Challenger Learning Center-St. Louis Inspiring Teacher Award!

This award is given to seven area teachers each year in honor and memory of the seven astronauts lost during the 1986 Challenger shuttle mission—including Christa McAuliffe, who would be the first civilian and teacher to go into space. Awardees were selected based on a student nomination, including a submission describing how the teacher inspired them to pursue a career in STEM.
