Juliet is a senior who is active with student leadership, class treasurer, link crew member, cheerleader, and volunteer with Animal Rescue of Tracy and Tracy Interfaith Ministries. Congratulations, Juliet!

Tracy High School 2011 Alumni, Jordan Tencati, was one of the pilots of the B-2 Stealth Bomber that did flyovers at the Rose Bowl. Thank you for your service, Jordan!

## ATTENDANCE REMINDERS

- Absences must be cleared within 48 hours. Please call the attendance line and leave a message with your student's name, date of absence, reason for absence, and phone number of parent. You can also email that information to [thsattendance@tusd.net](mailto:thsattendance@tusd.net)
- If the student is absent or leaving during the day for a doctor or dental appointment, please provide a doctor's note upon return. This will change your student's absence from an illness day to a medical appointment. Please note, each student is allowed 10 illness days per year. After the 10 days, the absence can not be cleared without a doctors note. If you plan on picking up your student for a medical appointment during the day, please call or email in advance so we can have the student in the office upon your arrival. Bring your ID for verification.
- If you are planning to request a travel study, please read all the rules on p. 22 of the handbook. You must apply a minimum of 5 school days before travel. If possible, please notify us 10 days prior and follow all steps from the handbook so your student gets credit for their work.
