Catholic Charities St. Lucy Food Project addresses the problem of the invisible hungry within the 21 counties and 7 cities of our Diocese. The local pantry network also includes parish, interfaith, community and government pantries delivering nonperishable food, produce, dairy, and meat.

The Catholic Charities truck will be at OLGC next Saturday and Sunday so that you can drop off your donations before or after Mass. Thank you for your generosity and spirit of giving to feed others!

We will need able-bodied volunteers next weekend to help move bags as well. Sign up at bit.ly/StLucyProject2024.

GOOD THINGS HAPPENING @ OLGC SCHOOL

We Care Week

In early December, the school held "We Care Week," focusing on caring for others. Special activities included daily Joyful Mysteries of the Rosary led by Student Council members, prayer partner activities, a presentation by Catholic Charities about the work they do caring for our community, and a dress-down day to raise money for Catholic Charities. The students raised \$845 for Catholic Charities. Well done!

Book and Bible Study in January

JAMES BIBLE STUDY: PEARLS FOR WISE LIVING

James is one of the most practical books of the Bible. Its teachings speak loudly to those who feel torn between the competing demands of this world and their faith. This study offers "pearls for wise living" by applying the wisdom of James to our current day. For anyone who has struggled to live a truly Christian life, James offers practical solutions for handling and even sanctifying everyday circumstances.

OLGC Tuesday Morning Bible study *James: Pearls for Wise Living* begins on January 9 at 9:45 am by Zoom. Participants will meet each week to view an engaging video

followed by lively discussion and fellowship. For more information contact Fran Davenport for zoom link at bwdavenport@cox.net.

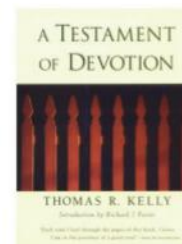

To order the study set for \$29.95, visit ascensionpress.com.

BOOK STUDY:

A TESTAMENT OF DEVOTION

Looking to find a bit of peace and solitude? What a better way to start the new year than to gather in the presence of God to carve out some quiet and stillness in our hectic lives. Devotion. Written by the esteemed author and teacher, Thomas R. Kelly, this timeless classic gathers together five compelling essays that urge us to center our lives on God's presence, to find quiet and stillness within modern life, and to discover the deeply satisfying and lasting peace of the inner spiritual journey.

Join us Wednesday mornings for five weeks, January 10-February 7, 9:30 - 11:00 am in Fr. Brisson Room.

HOW TO PROTECT YOURSELF FROM SCAMS

This is a follow-on to last week's article about AI scams. It applies to Artificial Intelligence and other types of scams as well. We need to be cautious of unsolicited emails, text messages and phone calls. Remember to always communicate through a secure and verified messaging platform rather than unsecured platforms. These sites start with "https" and will have a padlock icon. Use two-factor or multi-factor authentication whenever possible. Use a random password generator and a password manager to generate and store strong passwords.

Verify the source before clicking on any links or downloading any files. Never give a stranger money or personal identifiable information. If you suspect you're the target of a scam, stop communicating with the scammer immediately and report the incident to the authorities: Fairfax County Police Non-Emergency Line, 703.691.2131, TTY711. You can also file a complaint with the Federal Trade Commission at [ReportFraud.ftc.gov](https://www.reportfraud.ftc.gov) and with the FBI's Internet Crime Complaint Center at [ic3.gov](https://www.ic3.gov). You may also contact the AARP Fraud Watch Network at 877.908.3360 with your concerns.

HERE WE ARE!

It doesn't seem that long ago that I began to write in the new year of 2023, not knowing what it would bring, and hoping it would be good to us. There were good things and some not-so-good things that happened to us, as is usually the case, and here we are, already a full

week into 2024, another new beginning. As in the past I'm featuring "Encore," helpful resources that have appeared before, but might be new for some of you, and a reminder for others.

- If you need help with future snow shoveling or have a few "to do" tasks around the house that you need help with, turn to the Youth Odd Jobs List. Vienna youth sign up to be on the list to earn extra cash while helping their neighbors. The town is not responsible for setting wage expectations. Call the Community Center for more information: 793.255.6360.

- You can send the fronts of your greeting cards to St. Jude's Ranch for Children. They are repurposed into new cards that are sold by St. Jude's Gift Shop. These are the guidelines: send only the fronts of cards with no handwriting. Due to licensing restrictions, Hallmark and American Greetings cards cannot be used. Those measuring 5"x7" or smaller are preferred and all themes are welcome. Mail the card fronts to St. Jude's Ranch for Children Recycled Card Program, 100 St. Jude St., Boulder City, NV 89005. For more information and to place an order for these repurposed cards, call 877.977.7572.

- If the stairs in your home are getting to be a challenge, consider

installing a stair lift. Rebuilding Together Arlington/Fairfax/Falls Church now installs stair lifts for a limited number of homeowners who are in great need. You must have a straight run of stairs for the installation. There's a very small supply of stair lifts and installations are only for homeowners in urgent need. This local non-profit organization makes health and safety repairs at no charge for Fairfax County homeowners who qualify based on their income. Call 703.528.1888 or visit www.rebuildingtogether-aff.org.

- You've asked in the past about the disposal of tattered American flags. The most convenient way is to slip it into a specially painted old U.S. Postal Service drop box located at Mill and Cherry Streets near the Vienna Community Center. The next most convenient place is any Fairfax County Police Station.

Look for more "Encore" items in next week's column.

BUILDING A HEALTHIER NECK

The nerves that control the neck control the shoulders, arms, and hands as well as several internal organ functions. In this course for older adults, you'll be coached through three exercises that will help you build a healthier neck. Plenty of time for questions. It will be presented on January 16 from 10-11 am at the Vienna Community Center, and will be led by Dr. Charles Mazursky from Vienna Chiropractic Associates. No charge.

Elder Wisdom

Hard to believe I once had
a phone attached to a wall,
and when it rang, I picked it
up without knowing who
was calling.
