Addressing and Improving Student Behaviors

1. Prevention

- Social Emotional Learning (SEL) - SEL is a prevention strategy that is evidence-based, peer-reviewed, and affirmed through meta-analysis to prevent student aggression and improve school culture and climate

2. Intervention

- STOPit App & Behavior Code
- Academy for Success & The NEST
- Threat Assessments

3. Recovery

- Target/Victim Services - meets with targets of student aggression to provide support and coping strategies
- Therapeutic Day Program

There is a need for a system-wide plan for **Prevention** and **Recovery** services
